We will train the right candidate.

About our company:

Founded in 1947, Country Gardens Nursery has been serving the Long Island and NYC Metropolitan areas for decades. We grow, buy, and sell plants and other landscape related supplies. Our customer base consists mainly of landscape contractors, builders, parks departments and other municipalities.

We have a work hard / play hard mentality here at Country Gardens Nursery. In our peak busy seasons of spring and fall we work between 55 and 60 hours per week. However, like most in this industry we usually break or work part time in the winter to help recharge our batteries.

Compensation:

Please include your resume in the body of your e-mail, and state when you’ll be available to begin work. Also state your desired rate of pay.
