**Associate Landscape Designer/Project Manager**

Laderer and Sons is a high-end, Long Island-based landscape design and construction company that designs and creates residential and commercial landscape projects throughout Long Island and NYC since 1941. We are currently seeking a qualified associate landscape designer and project manager to perform site analysis, create drawings (freehand and software), estimate project costs, create proposals and manage all aspects of hardscape and softscape projects. Individual must be highly motivated, professional and a quick learner. Excellent people skills are essential. Knowledge of Microsoft Office, Quickbooks and bilingual are a plus.

Candidate who is still students in landscape/horticulture program should be able to start part-time immediately, switching to full-time at end of semester. Competitive salary, commission and health benefits offered.

Call (516)322-5078 or send resume to Bill Laderer at laderer1@me.com
