General Information:

Title: Junior Landscape Architect
Notice Number: OB-15-02
Salady Grade: 15
Item Number: 44071, 44072, 44074
Appointment Type: Permanent/Provisional
Jurisdictional Class: Competitive
Date Issued: February 09, 2015
Expiration Date: February 24, 2015

Location:
REGION 10 DESIGN HAUPPAUGE

Minimum Qualifications:
Applicants must have a bachelor's or higher level degree in Landscape Architecture. If you are within six months of receiving an acceptable degree, your application can be approved. If your application is approved pending receipt of an acceptable degree, and your name is placed on the eligible list and you are offered an appointment you must submit proof of graduation to the appointing authority before reporting to work. In the event that a viable eligible list may not exist in all locations, a provisional appointment may be made in accordance with Civil Service Law. Candidates who accept a provisional appointment must take the next competitive examination and be reachable on the eligible list for that title or their employment in the position will end. OR A New York State Professional Landscape Architect's license. 1. Your degree must be awarded by a college or university with a Landscape Architectural Accreditation Board (LAAB) accredited curriculum, or by a regionally accredited college or university or one recognized by the NYS Education Department as following acceptable practices. 2. If your degree was awarded by an educational institution outside of the United States and its territories, you must provide independent verification of equivalency, in writing,
to the NYS Dept. Of Transportation, Att: Cynthia DeLeon, 250 Veterans Memorial Hwy, Hauppauge, NY 11788. Graduates of a CSLAAC accredited curriculum do not need to submit any independent verification of equivalency.

Duties:

Work may include one or more of the following: “X Provide Landscape Architecture design and support for capital program and special projects. „X Provide technical assistance and advice to Regional staff on environmental issues and regulations. „X Coordinate environmental analysis; permit applications, interactions with numerous public and private entities and consultant work. „X Assist with erosion control plans and storm water management plan. „X Perform wetland delineations and field inspections during construction. „X Review project plans, specifications, documents and correspondence. Successful candidate will be expected to have good written and verbal communication skills. It should be noted that the developing zonal responsibilities for this group to support Regions 8, 10 and 11 may result in some travel to provide appropriate services to all.

To Apply:

Candidates on the eligible list for this title need not submit a resume in response to this vacancy notice. You will be considered for appointment based on your score/rank on the eligible list. Qualified candidates should submit a letter of interest and a current resume no later than February 20, 2015 to: Cynthia De Leon Senior Administrative Assistant, Region 10 New York State Department of Transportation 250 Veterans Memorial Highway Hauppauge, New York 11788 Cynthia.DeLeon@dot.ny.gov

The New York State Department of Transportation is an equal opportunity/affirmative action employer. Women, minority group members, disabled persons and Veterans are encouraged to apply. Upon request, reasonable accommodations will be provided for the disabled.

In compliance with Public Law 99-603, candidates selected for appointment must provide an original document to prove their citizenship and/or legal right to work in the United States.
