Job Opening: Apprentice Landscape Designer (Long Island)

We are a high-end company that provides horticultural services on estates from Montauk, along the gold Coast to rooftops/parks in Manhattan.

The ideal candidates will have 1+ yrs experience working in Landscape Design OR a 2/4 year degree in Landscape Design/Architecture or a related field. A hands-on approach/attitude is expected on all projects from beginning to end.

We are interested in candidates who possess an eagerness to learn as well as a willingness to work and grow with our company.

PRIMARY DUTIES:

- Proficiency in AutoCAD, Adobe CS, and Sketch-Up.
- Assist/Prepare landscape designs and any other required documents.
- Excellent communication skills
- Leads by example.
- Reports for duty at the designated location on time each day.
- Follows directions from the crew leader or designated supervisor, arborist representative, or local manager.
- Learns, understands, and adheres to all safety rules and company safety policies.
- Interacts regularly with clientele in order to ensure job satisfaction.
- Any previous design project experience a plus
