1. The second meeting of the Student Government Association Task Force began at 10:00 am. Minutes of the previous meeting were discussed. No objections were made, the minutes were accepted as proposed.

2. Dr. Corti emphasized that Eunice Ro, and he are non-voting members of the task force.

3. Dr. Tsokris informed the task force that three student members of the task force could not continue due to personal reasons. The students unable to continue are Beth Manseau, Dominique Williams, and Tiara McLaughlin. This lowers the members of the student group below seven as the two student alternates became student acting members of the task force. The task force now needs one student acting member, and two student alternate members. The committee will begin an active search for members.

4. John Scuteri volunteered to be secretary of the committee and will keep the minutes, which will be posted on the student enews and the Student Government web site.

5. Constitution parts discussed: Three branches of government is the best way to prevent corruption. Qualifications for running should be decided by an electoral committee. Maximum participation is wanted from the student body.

6. The next meetings time will be determined online via doodle.com poll sent by email. The poll will assess what time is the most convenient for all members (including those who cannot make it to the meeting).

Student Task Force Secretary
