I. **Town Hall Meeting:** The room for the Town Hall Meeting is already booked; a senator has to make the flyers for next week. Senators must be informed to announce the Town Hall Meeting in their classrooms.

II. **Gift for class 2016:** President Erica Alter suggested charging stations with lockers. Treasurer Angiulina Magdalena would like to improve the ones we have instead of buying new ones.

III. **Movie Tickets:** Student Government will start selling the movie tickets next semester (Fall 2016). For now SGA will give them for free. Movie tickets will be given out on Town Hall Meeting.

IV. **SUNY SA Conference:** Vice-President Cal Jimenez will organize the trip for April 18th. Find a way to get to Saratoga Springs. The AMTRAK might be an option.

V. **Alumni Awards Dinner:** Director of Student Activities Eunice Ro will be choosing the leaders that will attend with SGA representatives. Treasurer Angiulina Magdalena is getting all the paperwork approved.

VI. **Surveys:** Senators will go around with I-Pads asking students to fill surveys during their office hours. Senate meetings in the SGA office DO NOT count as office hours.

VII. **Senators:** President Erica Alter wants to encourage senators to do their job successfully. She would like to reward the senator that does more office hours at the end of the semester. Treasurer Angiulina Magdalena wants senators to look for issues around campus and bring them up in Senate Meeting.
VIII. **New Members of SGA:** President Erica Alter would like to get senators to show other students (that are interested in joining SGA) how the Student Government works and the different responsibilities they will have. Depending on the position the new students are interested in, they will have to attend a Senate or E-Board Meeting.
