## Directions to the SBDC Office

You will turn into the campus off of Route 110. Once you are on the campus, follow the main road to the first stop sign. Make a left at the stop sign. Then you will proceed through an other stop sign. Continue to go straight. You will see the Campus Bookstore (building #10 on the campus map) in front of you. The SBDC is located in the Campus Commons building (#06 on the map) to the left of the bookstore. We are in the same building as First Stop Cafe, and our entrance is at the green awning on the side of the building. (Note: There is a building in between the bookstore and our building, it was the old University police, and we are to the left of that building also).

## Parking on Campus

A temporary parking permit is **required** when parking on campus (except for the SBDC Training Center by the golf range). You can get one at University Police or our office. Place the permit on the dashboard of your car. There is no cost for the permit.

NOTE: If you have a General Use Lots parking pass from University Police, park in the parking lots with WHITE lines (Student Lots). If you have a Staff parking pass from our office, you can park in Staff or Student parking lots.
