Directions to the SBDC Training Center

Come in the main campus entrance on Route 110. After you are on campus, take the second right – this road leads back to the Golf Driving Range. At the stop sign, go straight. On your right will be a long storage/warehouse building. The next building on the right is the SBDC Training Center. There is no sign posted for the SBDC Training Center yet.

Parking at the Training Center – 2 choices:

- Park either in the grassy area across from the SBDC Training Center or anywhere along the pavement.
- At the stop sign before you get to the Training Center, turn right into the parking lot (on the campus map, this is labeled as Golf Lot #23). Park head in facing the warehouse building, not the golf range. The workshop is being held in the building at the northwest end of the parking lot.

Parking on Campus

No parking permit is required for parking at the SBDC Training Center.

However, if you park anywhere else on campus, a temporary parking permit is required and can be obtained at the University Police or in our office in the Campus Commons building.
