

**Application for Dependency Override for Federal Financial Aid**

**Dependency Override:** Student's support must have been relinquished by parent(s):

Documentation to be attached by student as evidence (**must submit all four**):

1. Copy of student's current income documentation showing adequate income to support self.
2. Letter or copy of lease from the current landlord specifying the date the student starting living at current residence.
3. Third party letter from a member of the clergy, social worker, guidance counselor or psychotherapist explaining why the student is unable to live with parent(s).
4. Letter of explanation from student regarding the situation.

I certify that I live independent of my parent(s) and they have relinquished guardianship, control, and support of me and I have no other legal guardian(s).
