PRO-PILOT PROGRAM CHECKLIST

This is a list of items you will need on hand for orientation:

☐ FAA Medical – First Class (recommended)
  Go to www.faa.gov for the location of a local FAA Medical Examiner

☐ Original US State or US Territory Birth Certificate with raised seal and/or Original U.S. Passport for TSA Compliance. If you are not a citizen of the United States, please contact the aviation department for instructions (631-420-2577)

☐ Drivers License

☐ Original Farmingdale State College Campus ID Card issued by Campus Police

☐ Log Book or pilot certificates if you have prior flight training experience

Pilot supplies needed for first day of training:

☐ Pilot Headset with two (2) plug-in jacks
  (Specify “General Aviation Airplane” headset)

☐ Pilot Logbook

☐ Jeppesen Private Pilot Textbook

☐ New York – VFR Sectional Chart*

☐ New York Terminal Chart*

☐ Airport Facilities Directory Northeast (AFDNE)*

☐ Piper Warrior III Pilot Operators Handbook*

☐ Piper Warrior Aircraft Checklist*

☐ Navigation Plotter*

☐ E6B/Flight Computer*

☐ View Limiting Device (Hood/Foggles)*

☐ Pilot Kneeboard*

☐ Applicable Practical Test Standard (PTS)*

☐ Federal Aviation Regulations/ Aeronautical Information Manual (FAR/AIM)*

☐ FAA’s Airplane Flying Handbook (FAA-H-8083-3A)*

☐ Jeppesen Private Pilot Test Guide

Asterisk items can be purchased during your first lesson at the Aviation Center using your Aero Fee Account or you can purchase the items on your own at jeppesen.com or other online pilot stores.

If you have any questions please contact Michael Trzaska Chief Flight Instructor at the Aviation Center (trzaskm@farmingdale.edu).
