SOUTHERN STATE PARKWAY—Exit 32 North, Route 110. Travel north on Route 110 approximately 3 miles. The main campus entrance is on the left after crossing Melville Road.

Directions to the SBDC Office

You will turn into the campus off of Route 110 and Smith Street. Once you are on the campus, follow the main road all the way down until you see Horton Hall (Administration Building) on your left. Turn left into the parking lot after the first speed bump. You may park in the big parking lot in front of this building or in front of the new Student Center. Our office is located in the Campus Commons building. This building is located behind the new Student Center. Walk on the walkway between the new Student Center and the Administration Building. Make a right and follow the walkway around the back of the Student Center. You will see a beige building with solar panels on your left. We are located in the same building but you will need to walk around the building to our entrance. The SBDC entrance has a green awning and is located on the side of the building. The SBDC is located in Building #6 on attached the Campus Map.

Parking on Campus

A temporary parking permit is required when parking on campus. If we didn’t e-mail you one, you can get one at University Police. Place the permit on the dashboard of your car. There is no cost for the permit.

NOTE: If you have a General Use Lots parking pass from University Police, park in the parking lots designated for Students. If you have a Staff parking permit from our office, you can park in Staff or Student parking lots.
