Dear President Keen:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Technician program's accreditation as decided at its September 18, 2015 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program in Spring 2015.

Accreditation for your program will continue until October 31, 2025. As a result, your program will commence the continuing accreditation process with submission of the Self-Study Report on October 1, 2024 and the scheduling of a site visit during Spring 2025. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,

A handwritten signature in black ink, appearing to read "Fred H. Rodriguez, MD". The signature is fluid and cursive, with a long horizontal line extending to the right.

## **NAACLS BOARD OF DIRECTORS' ACCREDITATION AWARD**

The Medical Laboratory Technician Program of Farmingdale State University of New York in Farmingdale, NY is awarded Continuing Accreditation for ten (10) years.

A Year 5 Interim Report must be submitted to the NAACLS office no later than October 1, 2019. The Interim Report must include the following:

1. Summary of last five years of annual reporting
2. Narrative on how outcomes measures are analyzed and used in program assessment and continuous quality improvement of the program (outcomes measures that cannot be quantitatively analyzed are to be included in this narrative). The results of program outcomes measures and assessment must include findings from graduate and employer feedback and be:
  - Reflected in ongoing curriculum development, resource acquisition/allocation, and program modification.
  - Analyzed to demonstrate the effectiveness of any changes implemented.
3. Narrative describing how significant changes in annual reporting are handled, and how any actions taken as a result of the changes are used in program assessment and continuous quality improvement of the program.

Programs that are required to provide an Annual Report Action Plan as part of NAACLS' Annual Reporting process (refer to the *NAACLS Guide to Accreditation and Approval*) must submit additional required materials as part of the "Year 5 Interim Report".

*An unsatisfactory "Year 5 Interim Report" will result in a requested Progress Report within six to twelve months, possible probationary accreditation, and possible elimination of a ten year accreditation award after the next review.*

*Failure to submit the required report by the due date may result in Administrative Probation.*

Karen M. Escolas, EdD, MT(ASCP) is recognized as Program Director.

Farmingdale, NY 11735

Dear President Nader:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Scientist program from the September 27-28, 2018 meeting.

The Board of Directors based the award length on the continuing accreditation review process that included a site visit of your program during spring 2018.

Accreditation for your program will continue until October 31, 2023. As a result, your program will commence renewal of accreditation with the submission of a Self-Study Report on October 1, 2022 and scheduling of a site visit during spring 2023. We provide this information to assist you in administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS staff will forward the Certificate of Accreditation to the Program Director.

Sincerely,

A handwritten signature in black ink that reads "William H. Hunt". The signature is written in a cursive, slightly slanted style.
