# WELCOME TO FARMINGDALE STATE COLLEGE

Congratulations and welcome to Farmingdale State College! We are excited to welcome you to our growing and vibrant community.

FSC builds on the talents and motivation of our outstanding student body. We're immensely proud of our commitment to supporting students throughout their college experience. Our dynamic programs are synonymous with the industrious nature of our students and speak volumes about those things that make FSC such a special place.

## OUR STUDENTS ARE OUR STORY

People often tell me that FSC is one of the best stories never told so, when I arrived at Farmingdale, I pledged to be the College's storyteller-in-chief. Our students are at the heart of every story we tell.

The success of our students is truly remarkable. Their earnings rank among the very highest of recent SUNY alumni. Over 90 percent of FSC graduates are employed or in graduate programs within six months of graduation, and more than half of our graduates leave debt-free.

## GETTING TO KNOW YOUR CAMPUS COMMUNITY

In the coming days and weeks, ahead, you'll be hearing from other offices on campus that are dedicated to your success both inside and outside the classroom. Our goal is to connect you to the people, places, and resources that will help you achieve your academic, professional, and personal goals. Special programming and major-specific sessions will be available to admitted students. Continue to check your FSC email and the **FSC Ram Portal** for more information.

# FINANCIAL AID & SCHOLARSHIPS

## Scholarships

The Farmingdale College Foundation, through the generosity of alumni, donors and friends, provides scholarships to incoming freshman and transfer students. Scholarships are based on many factors including financial need, academic merit, donor preferences and academic majors. Scholarships are awarded annually to eligible students for qualified educational expenses including tuition, fees and housing. Students who are already receiving full scholarship/grant funding for room, board, and tuition are not eligible.

Accepted students interested in being considered for a scholarship can do so by submitting the scholarship survey found on the **FSC Ram Portal**. Submission of this survey and completion of a FAFSA (Free Application for Federal Student Aid) are required for consideration. All scholarship recipients must remain in good academic standing with Farmingdale State College.

Scholarship recipients will be notified by mail and are required to accept their award by published deadlines.

For more information, please visit the Scholarship website at: [farmingdale.edu/scholarships](https://farmingdale.edu/scholarships).

## Financial Aid

The Office of Financial Aid can provide information about financial support to help pay for college and assist with the financial aid process.

All federal grants, loans and federal work study programs are based on the information provided on the Free Application for Federal Student Aid (FAFSA). The FAFSA can be completed online at [fafsa.gov](https://fafsa.gov). Submit your FAFSA as soon as possible for need based federal and college based grants, work study opportunities, and loans.

Sign in to your OASIS account to manage your student account and financial aid.

The Excelsior Scholarship, in combination with other student financial aid programs, allows students to attend a SUNY or CUNY college tuition free. For more information on application deadlines and to apply, visit [farmingdale.edu/financial-aid](https://farmingdale.edu/financial-aid).

DegreeWorks will be used for monitoring credits that apply toward your current program for federal and state financial aid eligibility, for more information, visit [farmingdale.edu/degreeworks](https://farmingdale.edu/degreeworks).

## FAFSA Online Information

1. Apply for an FSA ID (Federal Student Aid ID) at [studentaid.gov](https://studentaid.gov).
2. Collect all documents including income tax transcript, W2 forms and other records of income. A complete list of requirements can be found at [fafsa.gov](https://fafsa.gov). If your tax return is not completed at the time you apply, estimate the tax information, apply and correct the information later.
3. Complete the FAFSA as early as possible when it becomes available in late December, in order to meet school and state aid deadlines. Apply online at [fafsa.gov](https://fafsa.gov). Farmingdale State College's school code is **002858**.

Review the FAFSA SS and make any changes or corrections and resubmit your FAFSA SS for reprocessing. Your complete correct FAFSA SS will contain your Student Aid Index (SAI). This is the number used to determine your Federal student aid eligibility.
5. If your **FAFSA SS is selected for "verification"** by the Department of Education, you will be asked to submit additional documents to the FSC Office of Financial Aid. Be sure to submit the information as quickly as possible, as your application will be on hold until verification is completed.

The State University  
of New York

State University of New York (SUNY) policy prohibits the Farmingdale State admissions application from inquiring into an applicant's prior criminal history. After acceptance, the College shall inquire if the student previously has been convicted of a felony if such individual seeks campus housing or participation in clinical or field experiences, internships or study abroad programs. The information required to be disclosed under SUNY policy regarding such felony convictions shall be reviewed by a standing campus committee consistent with the legal standards articulated in New York State Corrections Law.

Students who have previously been convicted of a felony are advised that their prior criminal history may impede their ability to complete the requirements of certain academic programs and/or to meet licensure requirements for certain professions. Students who have concerns about such matters are advised to contact the dean's office of their intended academic program.
