# TRANSFER STUDENTS

[farmingdale.edu/transfer](https://farmingdale.edu/transfer)

## TRANSFER CREDIT EVALUATION PROCESS

Once you've been accepted, submit your tuition deposit to begin the transfer credit process. After the deposit is received, we'll evaluate courses taken at other institutions or through high school programs such as AP, CLEP, or IB.

Your credits will be posted on your OASIS account within 10 days of receipt of your tuition deposit. If you do NOT have an associate degree, only courses with grades of C or better will be considered for transfer.

**International students are required to have a course-by-course evaluation from a NACES approved service. For more information visit [naces.org](https://naces.org).**

International students' transcripts must include descriptions (in English) for each course submitted for credit. Contact your prior institution(s) for course descriptions.

## ACCREDITATION

Courses taken at regionally accredited institutions (such as colleges accredited by Middle States) are more likely to be accepted. Non-accredited courses will be evaluated on a case-by-case basis.

Students who have earned an associate degree and are admitted to the College are generally awarded full transfer credit for their coursework. The total number of credits required for graduation depends on the remaining courses needed to fulfill both College and major requirements.

Generally, courses with a grade of C or better will transfer. However, many majors require a C+ or better for a course to satisfy a major's requirement.

Although a course transferred in with a C grade will earn credits, the transfer course may not satisfy the requirement of the major and the course may have to be repeated. AP test grades of 3 or higher may earn credits.

## COURSE EQUIVALENCIES

To see how your credits will transfer, visit [farmingdale.edu/transfer-equivalencies](https://farmingdale.edu/transfer-equivalencies).

*Note: Finding a transfer equivalency within this utility does not guarantee that you will be awarded transfer credit.*

## TRANSFER ADVISEMENT & REGISTRATION

Transfer Services will assist you with scheduling your advisement and registration.

We will call you after you have submitted all your official transcripts, been accepted, and paid your tuition deposit. If you don't hear from us, please email [tsr@farmingdale.edu](mailto:tsr@farmingdale.edu). Include your RAM ID and the best number to reach you.

## MILITARY CREDITS

The Office of Veterans Services will help you navigate FSC's admissions, registration, and financial aid process. This office is the primary point of contact for all veteran and reservist applicants interested in attending Farmingdale State College.

Military credits may be granted on a case-by-case basis based upon review of a Military Smart transcript. For more information, visit [farmingdale.edu/veterans-services](http://farmingdale.edu/veterans-services).

# EMPOWERING SUCCESS PROGRAMS AND OPPORTUNITIES

[farmingdale.edu/asap](https://farmingdale.edu/asap)

## THE EDUCATIONAL OPPORTUNITY PROGRAM (EOP)

EOP supports students with potential who face financial and educational challenges by providing tutoring, counseling, and academic advising.

## HONORS PROGRAM

FSC's Honor Program offers first-year students academic rigor, community engagement, and access to prestigious scholarships. Applications are available after acceptance.

## SUNY ADVANCING COMPLETION THROUGH ENGAGEMENT (ACE)

The ACE program offers holistic support to students who have demonstrated financial need, aiming to ensure the timely completion of their bachelor's degree with dedicated staff support.

## THE RESEARCH ALIGNED MENTORSHIP (RAM)

The RAM program guides randomly selected first-year students through innovative curricula, mentored research, and community-building, leading to high retention and graduation rates.

## STUDENT SUPPORT SERVICES:

- Academic Advisement & Information Center
- Campus Mental Health Services
- Center for Academic Success & Tutoring
- Disability Services
- Health & Wellness Center
- Math Center
- Nexus Center for Applied Learning & Career Development
- Opportunity Programs
- Pre-Health Professions Advisement
- Veterans Affairs
- The Writing Center
- University Police
