Admissions Information

Applicants can apply online at www.suny.edu/applysuny/ or visit www.farmingdale.edu and click on the Apply Now link.

Applicants must send official documents from all schools attended; applicants to the RN-BS program must also send a copy of their RN license to the following address:

Farmingdale State College
ATTN: Admissions Processing
279 Broadway
Albany, NY 12204

Phone: 631-420-2200
Fax: 631-420-2633
admissions@farmingdale.edu
Hours: 8:30am – 4:30pm

For questions regarding the SUNY Application or Supplemental Application, please contact the Albany Processing Center at the following address:

Application Processing Center
The State University of New York
State University Plaza
Albany, NY 11246
Phone: 1-800-342-3811

For further information regarding nursing programs, please visit the following website: www.bestnursingdegree.com.

Students with additional questions may attend a nursing information session in Laffin Hall on Tuesday mornings at 10 am. Please call the Admissions Office to confirm at (631) 420-2200 or email admissions@farmingdale.edu.
Bachelor of Science in Nursing Program (Fall Semester Only)

Application deadline: January 15 / Supporting Documents Due February 15

All applicants to the nursing program must meet the safety and technical standards and have completed the following prerequisites.

High School Requirements: (85+ Average)

- High School Diploma or GED
- Three units of Mathematics (must include Algebra 2 & Trigonometry)
- Biology with Lab (Regents score 75% and above)
- Chemistry with Lab (passing Regents score)
- SAT or ACT test scores

Pre-Admissions Exam:
- TEAS (Test of Essential Academic Skills) http://www.atitesting.com

Interview:
Applicants with the most competitive exam scores will be selected for an interview, the final round of the selection process. Interviews will be conducted on campus by nursing faculty members shortly after the exam scores are received.

RN to BS Completion (Fall Semester Only)

Application deadline: January 15 / Supporting Documents Due February 15

All applicants to the nursing program must meet the safety and technical standards, have a minimum GPA of 3.0, and be current RN license. RN to BS Completion track takes approximately 2 years to complete and consists of 62 college credits beyond the associate degree (32 credits in the major and 30-36 credits of liberal arts and science).

Transfer credits will be evaluated after acceptance and this program will take a minimum of two years to complete. Students who enter the SUNY System after fall, 2000 must complete all General Education requirements as outlined in the College Catalog, which is available online. RNs who are interested in completing their BS degrees at Farmingdale are advised to start completing all the Liberal Arts and Sciences requirements (non Nursing courses).

Farmingdale State College
State University of New York

Bachelor of Science Nursing Track (Spring Semester Only)

Application and supporting documents due October 1

All applicants to the nursing program must meet the safety and technical standards and have completed the following courses:

High School Level:
- Biology with Laboratory (Regents score 75% and above)
- Chemistry with Laboratory (passing Regents score)
- Two units of mathematics (including Algebra)

College Level:
- 3.0 cumulative GPA
- MTH 110 – Statistics
- BIO 170, Human Anatomy & Physiology I – within 5 years
- BIO 171, Human Anatomy & Physiology II – within 5 years
- EGL 101, English Composition: Rhetoric
- PSY 101, Introduction to Psychology
- 3 Liberal Arts and Sciences curriculum requirements – refer to program of study.

Pre-Admissions Exam:
- TEAS (Test of Essential Academic Skills) http://www.atitesting.com

Interview:
Applicants with the most competitive exam scores will be selected for an interview, the final round of the selection process. Interviews will be conducted on campus by nursing faculty members shortly after the exam scores are received.

Applicants must achieve a grade of B or better the first time they take BIO 170 and BIO 171 Human Anatomy and Physiology I and II. Applicants who have repeated Anatomy and Physiology will not be considered for admission. This is not an accelerated nursing program and will take a minimum of three years to complete.

Please note that completion of the minimum prerequisite courses does not guarantee admission. Applicants are ranked according to grades and exam score.
