Technology Enhanced Classrooms, like this one in Greenley Hall Library, allow professors to deliver lectures using the latest technology.

Sixteen Piper aircraft and seven Cessna aircraft serve as our professional pilot training fleet at the Aviation Center.

School Directory & Tours *continued*

Aviation Center - 12:00 – 3:00 PM - Farmingdale is the only SUNY school that offers a Bachelor's degree in Aeronautical Science: Professional Pilot. Come see our fleet of meticulously maintained aircraft and flight simulators, then tour the flight line. Learn about what it takes to be a pilot as well as other career opportunities in the aviation industry. If you need a ride, shuttles to the Aviation Center will begin leaving the front of Laffin Hall at 12:30 and will return periodically until 2 PM. The Flight Center is south of the campus at 885 Broadhollow Road.

Whitman Hall Main Lobby - Business

Business Management, Computer Programming & Information Systems, Ornamental Horticulture, Sport Management and Visual Communications

Be sure to visit Visual Communications:

Tour the Memorial Gallery, art studios and the computer labs in Nathan Hale Hall. Please visit the Visual Communications table in Whitman Hall for information.

Workshops & Overviews

Financial Aid Seminar - 12:30 & 2 PM

Roosevelt Hall, Little Theater

Learn about programs and services designed to assist students and families pay for college. Important financial aid deadlines, how to fill out the FAFSA application, scholarship and other financial opportunities available to students will be discussed.

Nursing Information - 1 PM

Gleeson 202

An admissions counselor will explain entrance requirements for Nursing.

The Student Success Center is designed to provide students with all the support they need to reach their academic goals.

The Solar Energy Center provides energy to the campus and offers students unique research opportunities.

U.S. News & World Report 2013

ranks Farmingdale State College as one of the best regional colleges in the North for both public and private (#31) and is the only Long Island ranked (#8) for public colleges in the north region.

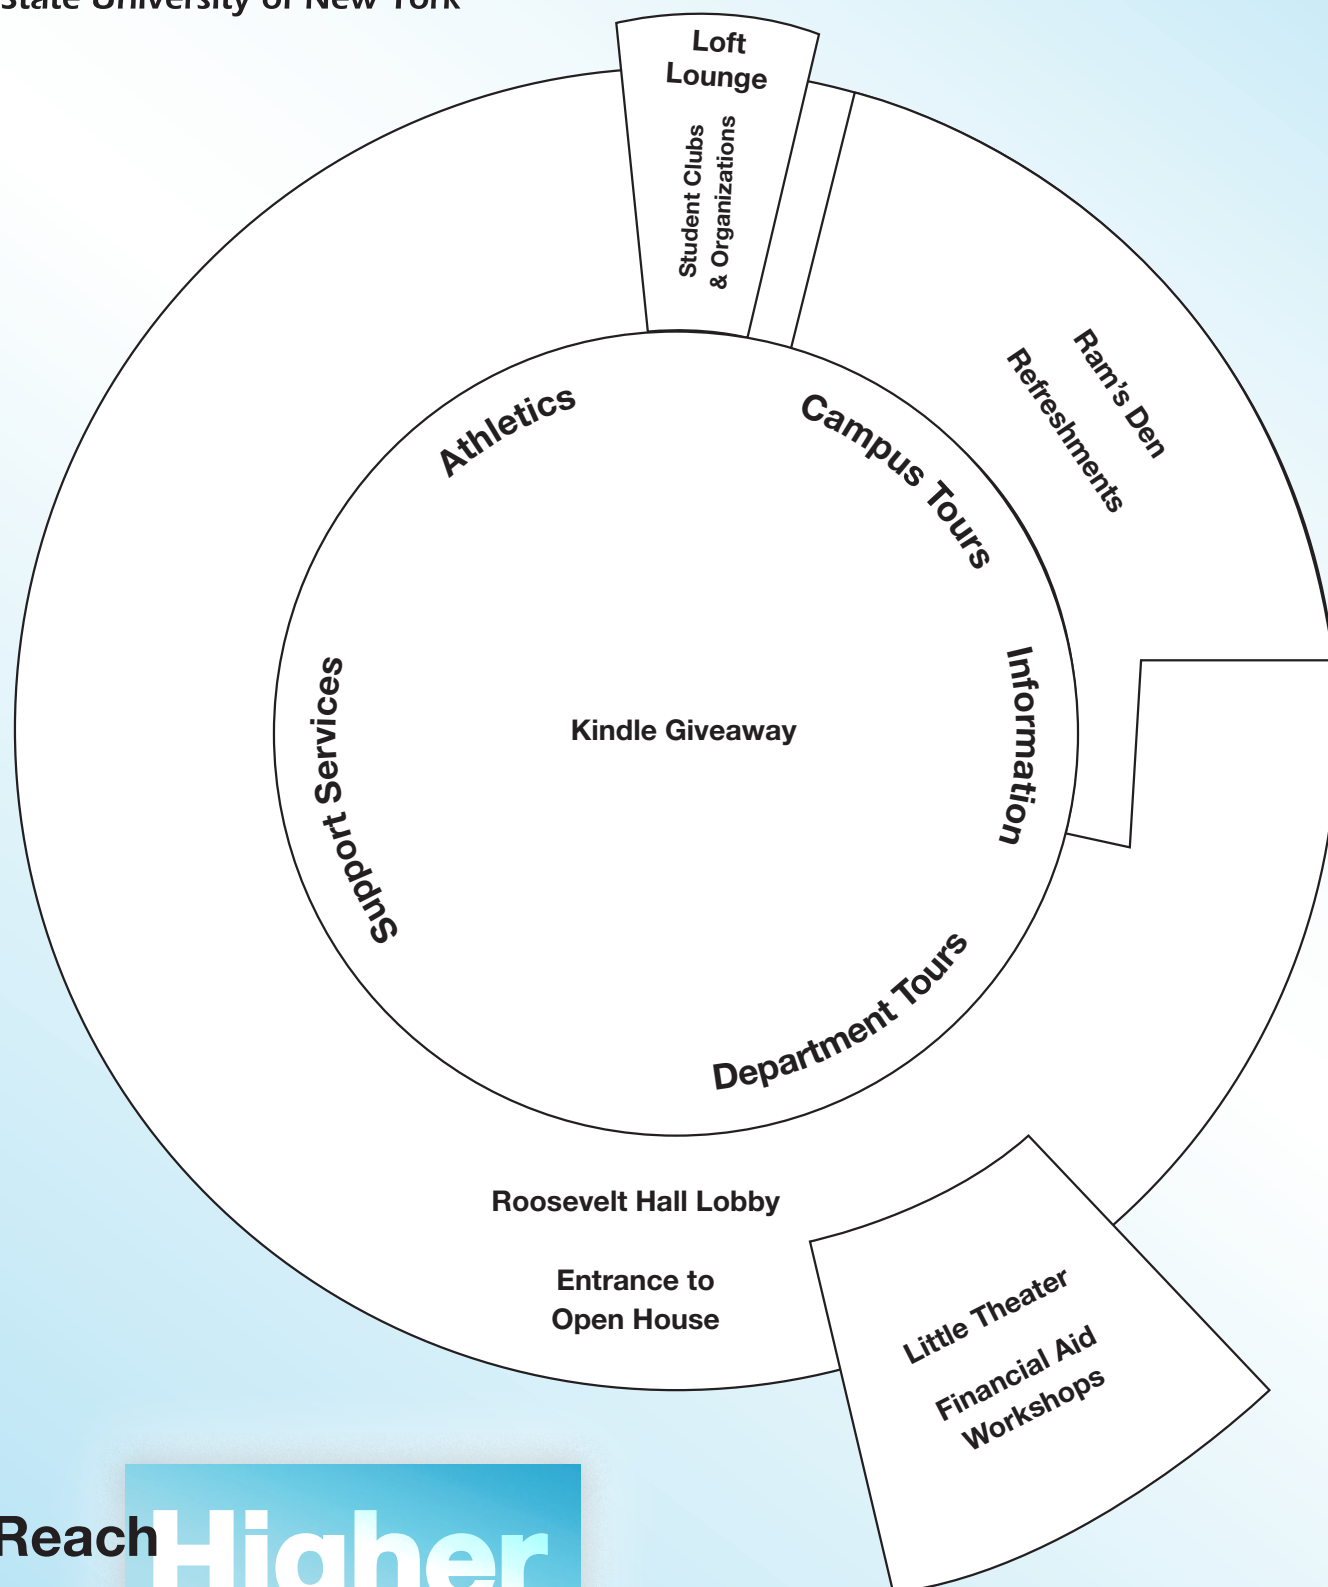

*The potential earning power of Farmingdale State graduates is one of the highest in the nation among public colleges and universities, according to **payscale.com**, the web site which tracks salaries in a variety of industries. The College was one of only four SUNY institutions to place in the top 100.*
