

## Robert F. Ench Teaching Gardens Entrance Gate

**Since 1995** the Farmingdale Horticulture Committee has financially supported Summer Garden Interns to help maintain the gardens. **April 2016** marked the dedication of the teaching gardens to Robert F. Ench, alumnus and dedicated supporter of Farmingdale, especially the horticulture department. The Committee has embarked on a project to aid in additional support of the program, while giving the opportunity to fellow alumni, businesses in the industry and the local community to leave a lasting legacy. Celebrate and remember by purchasing an engraved brick for yourself, a graduate, or an industry leader to be installed in the refurbished entrance to the **Robert F. Ench Teaching Gardens at Farmingdale State College**

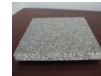

**A** 4x8 Cambridge Brick \$150.00

**B** 8x8 Cambridge Brick \$300.00

**C** 8x8 Granite Paver \$600.00

### Farmingdale State College Horticulture Committee

Our Mission Statement:

"The Farmingdale Horticulture committee's mission is to promote excellence in the Farmingdale State College Department of Urban Horticulture and Design curriculum, to encourage student career and business development through internships, scholarships, and networking opportunities, to advertise the program and to further the development of the Horticulture Teaching Gardens as the very finest in the Northeast."
