While the Office of the Dean of Students is responsible for judicial procedures, in truth that is merely one function of the office. It is more appropriate to view the Office of the Dean of Students as an area of advocacy for students. It is the primary place to receive guidance, assistance, resource information, and referral to the appropriate person or office.

The Office of the Dean of Students additionally coordinates and administers:
• New Student Orientation and Administrative Compliance Activities
• Federal Financial Aid Progress Plans
• Student participation in Commencement
• Annual Student Handbook/Planner Publication

The physical, mental, emotional, spiritual, occupational, environmental, and social/multicultural components of our wellness model are incorporated in a multi-disciplinary approach to overall wellness. The Health and Wellness Center is committed to being proactive in addressing your overall well-being, pertinent issues, quality improvement, and satisfaction, and in making you a partner in your own wellness.

In one setting, two worlds of medicine work in a complementary manner to best address your “whole person” and overall wellness. Acupuncture, chiropractic, massage therapy, and yoga/meditation are available in addition to traditional medical services. A relaxation/aromatherapy room is also available to enable you to escape from your busy schedule and relax in our electronic massage chair, and our newest addition is a student fitness room, complete with cardio equipment and weights.

Nurses are available to you for immediate assessment, and physicians and a nurse practitioner further evaluate and treat during clinic sessions. Athletic physical examinations and EKGs are also available, and women’s health services are available Wednesday through Friday. Laboratory services are on site, and many medications are available to you if needed.

Health and Wellness Center staff include registered nurses, physicians, a nurse practitioner, an addiction counselor, and secretarial and clerical staff.

STUDENT IMMUNIZATION POLICY

Due to New York State law and professional recommendations of the American College Health Association and Centers for Disease Control, all students born on or after January 1, 1957 who are attending an institution of higher education are required to submit proof of immunity to measles, mumps, and rubella.

Proof of immunity is required for all students physically taking at least one class on campus, regardless of the number of credits, as follows:

**Measles** – proof of two measles shots; one after one year of age, and another at least one month apart; OR physician documentation of measles disease; OR
- blood test (titer) showing immunity to measles (copy of laboratory report required).

**Mumps** – proof of one mumps shots; after one year of age, OR physician documentation of mumps disease; OR
- blood test (titer) showing immunity to mumps (copy of laboratory report required).

**Rubella** – proof of one rubella shot after one year of age; OR
- blood test (titer) showing immunity to rubella (copy of laboratory report required).

New York State law also requires that you read an informational letter about meningitis and available vaccination, which you need to sign and return to the Health and Wellness Center.

Resident students must provide proof of meningitis immunization.

Immunization requirements must be fulfilled PRIOR TO July 1. Your class attendance will be impacted if you do not comply.

Medical exemptions or deferrals are granted with physician documentation, in accordance with the guidelines of the law. Exemptions are also granted if you are submitting documentation of sincere religious beliefs regarding immunizations.

Job Fairs and Graduate School Fairs: The Career Center hosts three Job Fairs each year. At these events, student and alumni job seekers have an opportunity to connect with recruiters from business and industry who are hiring for full-time, part-time and internship positions. Employment opportunities are available at the Fairs for students, upcoming graduates and alumni. A Graduate School Fair is held each Fall Semester for upcoming graduates to meet with representatives of colleges offering advanced degrees. Residence Life, located on the first floor of Sinclair Hall, coordinates all aspects of on-campus living. The residence hall staff provides counseling, helps to establish and maintain community standards, and supports health, safety, and cleanliness standards in accordance with residence hall/campus policy, ensuring a positive experience for you.

The goal of the Residence Program is to provide you with an on-campus, student-centered living experience in a clean, safe and stimulating environment. The residence halls are viewed as an extension of the classroom where learning, socialization and maturing takes place. The community atmosphere is conducive to fostering your uniqueness and individuality as well as respect for the rights of others.

Resident Directors are live-in professionals. They are college graduates who run the day to day operations of their individual residence halls/areas. They participate in an on-call emergency duty rotation during the evenings/weekends to ensure the safety and integrity of the resident student population. As professional staff members, they supervise a staff of Resident Assistants (RAs).

Any registered student of FSC is eligible to live on campus. You do not need to be full time and/or matriculated. However, preference for spaces will be given to those students who are full time and matriculated.

Dewey Hall is a corridor-style residence hall with a varying number of single and double rooms in each hallway. The residents share common bathrooms in each wing.

Orchard Hall is a four-story building designed as “suite-style” living with four-person and six-person suites. The four-person suites are broken up into two double bedrooms and a private single bathroom. The six-person suites are broken up into two double bedrooms, two single bedrooms, two single bathrooms, and a kitchenette area. In the kitchenette, a small refrigerator, counter top with sink, microwave, and kitchen table are provided.

The mission of The Office of International Education and Programs (OIEP) is to internationalize Farmingdale State College through the promotion of international education and to offer supportive and innovative programs to students, faculty, and staff. OIEP recruits a diverse group of international students by offering excellent undergraduate and graduate academic programs in high demand disciplines. Farmingdale has a population of approximately 200 international students representing over 20 countries. OIEP acts as the connection for the college between students on a F-1 visa and those scholars and students on J-1 visas with the Department of Homeland Security (DHS), the Department of State (DOS) and the U.S. Citizenship and Immigration Services (USCIS). The office provides information on securing visas, health insurance, obtaining social security numbers, on-campus employment, internships, and traveling outside the United States. OIEP also provides assistance to students throughout their stay at Farmingdale with academic and/or social matters.

Farmingdale students are strongly encouraged to study abroad. Participating in an overseas experience such as exchange or study abroad can change your perspective on life, enhance your career goals and set you apart from others when entering the job market. We cooperate with other SUNY colleges and can offer advice on programs through any institutions. Students may obtain information on Study Abroad programs by visiting www.farmingdale.edu/academics/centers-institutes/international-education or by contacting Jessica Zuniga at jessica.zuniga@farmingdale.edu or studyabroad.farmingdale.edu.

OIEP plans and hosts educational, cultural, and recreational events and activities to bring together international and American students for mutually beneficial cultural exchange. Farmingdale plans multicultural activities throughout the academic year in an effort to internationalize the campus. Various campus committees and organizations cooperate to offer these events, including the International Office, Student Activities, Residential Life, and student organizations. The activities and events for the international students are designed to promote understanding between the diverse populations that are part of the Farmingdale community and the New York community as a whole. SUNY POLICIES ON SEXUAL VIOLENCE PREVENTION AND RESPONSE
DECEMBER 1, 2014
For the SUNY Board of Trustees’ resolution calling for the establishment of these policies, visit:
http://www.suny.edu/media/suny/content-assets/documents/boardoftrustees/memos/Sexual-Assault-Response-Prevention-REVISED.pdf
Sexual violence, as that term is used in this document and prior U.S. Office for Civil Rights guidance, refers to physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent (as defined by the affirmative consent policy included herein). A number of different acts fall into the category of sexual violence, including rape, sexual assault, sexual battery, sexual abuse, and sexual coercion. Sexual violence can be carried out by other students, college employees, or third parties. All such acts of sexual violence are forms of sex discrimination prohibited by Title IX.

Definition of Affirmative Consent
“Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant’s sex, sexual orientation, gender identity, or gender expression.”

New Amnesty Language Without Redline:
The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. Farmingdale State College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Farmingdale State College strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to Farmingdale State College officials or law enforcement will not be subject to campus code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

Campus Climate Assessment Policy
Climate assessments afford institutions the opportunity to better understand their campus and to make informed decisions when it comes to providing a safe educational environment. Beginning in the 2015-2016 academic year, each State University of New York State-operated and community college will conduct a uniform climate survey that ascertains student experience with and knowledge of reporting and college adjudicatory processes for sexual harassment, including sexual violence, and other related crimes.
The survey will address at least the following:
• Student and employee knowledge about:
  o The Title IX Coordinator’s role;
  o Campus policies and procedures addressing sexual assault;
  o How and where to report sexual violence as a victim/survivor or witness;
  o The availability of resources on and off campus, such as counseling, health, academic assistance;
  o The prevalence of victimization and perpetration of sexual assault, domestic violence, dating violence, and stalking on and off campus during a set time period (for example, the last two years);
  o Bystander attitudes and behavior;
Whether victims/survivors reported to the College/University and/or police, and reasons why they did or did not report.

The general awareness of the difference, if any, between the institution’s policies and the penal law; and

The general awareness of the definition of affirmative consent.

Every institution shall take steps to ensure that answers remain anonymous and that no individual is identified. Results will be published on the campus website providing no personally identifiable information shall be shared.

Beginning in the spring semester of 2015, the Chancellor or designee will convene a group of scholars and practitioners to review methods of assessing campus climate, specific questions asked in past surveys, relevant data on responses and response rates, issues and problems encountered in survey implementation, and lessons learned from past surveys. The Chancellor or designee will gather this data and seek to develop a standardized survey, with the advice of relevant members of the SUNY community and knowledgeable outside entities, that uses established measurement tools, to be implemented every two years by all SUNY State-operated and community colleges beginning in the 2015-2016 academic year. This policy may be changed by the Chancellor or designee should federal and/or State legislation require a different process or duplicate efforts to assess campus climate via survey.

**Options for Confidentially Disclosing Sexual Violence**

The State University of New York and Farmingdale State College want you to get the information and support you need regardless of whether you would like to move forward with a report of sexual violence to campus officials or to police. You may want to talk with someone about something you observed or experienced, even if you are not sure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. Confidentiality varies, and this document is aimed at helping you understand how confidentiality applies to different resources that may be available to you.

**In this Policy:**

- Privileged and Confidential Resources.
- Non-Professional Counselors and Advocates.
- Privacy versus Confidentiality.
- Requesting Confidentiality: How the College/University Will Weigh the Request and Respond.
- Public Awareness/Advocacy Events.
- Anonymous Disclosure.
- Institutional Crime Reporting.

**Privileged and Confidential Resources:**

Individuals who are confidential resources will not report crimes to law enforcement or college officials without your permission, except for extreme circumstances, such as a health and/or safety emergency. At Farmingdale State College, this includes:

- Farmingdale State College’s Campus Mental Health Services, Sinclair Hall Rm 101, 631-420-2006
- Individuals serving in a pastoral role under Campus Mental Health Services, Sinclair Hall Rm 101, 631-420-2006; [http://www.farmingdale.edu/campus-life/student-support-services/personal-counseling](http://www.farmingdale.edu/campus-life/student-support-services/personal-counseling)

Off-campus options to disclose sexual violence *confidentially* include (note that these outside options do not provide any information to the campus):

- Off-campus counselors and advocates. Crisis services offices will generally maintain confidentiality unless you request disclosure and sign a consent or waiver form. More information on an agency’s policies on confidentiality may be obtained directly from the agency.
  - [Check http://nyscasa.org/. Provide specific names if possible, contact information, and information about office, such as whether it provides compensation to victims/survivors of crimes or helps replace property lost or damaged during the crime].
  - [Local SANE hospitals and programs]

- Off-campus healthcare providers
  - Note that medical office and insurance billing practices may reveal information to the insurance policyholder, including medication and/or examinations paid for or administered. The New York State Office of Victim Services may be able to assist in compensating victims/survivors for health care and counseling services, including emergency compensation. More information may be found here: http://www.ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf, or by calling 1-800-247-8035. Options are explained here: http://www.ovs.ny.gov/helpforcrimevictims.html.

Note that even individuals who can typically maintain confidentiality are subject to exceptions under the law, including when an individual is a threat to him or herself or others and the mandatory reporting of child abuse.

**Non-Professional Counselors and Advocates:**

Non-professional counselors and advocates can also assist you without sharing information that could identify you. At Farmingdale State College, this includes members of [any existing campus advocacy, peer counseling, and other applicable centers – provide contact information including email, phone number, and address]. These individuals will report the nature, date, time, and general location of an incident to Farmingdale State College’s Title IX Coordinator, but will consult with you to ensure no personally identifying details are shared without your consent. These individuals are not considered confidential resources as discussed above.

**Privacy versus Confidentiality:**

Even Farmingdale State College offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX Coordinator or designee, who is responsible under the law for tracking patterns and spotting systemic issues. Farmingdale State College will limit the disclosure as much as possible, even if the Title IX Coordinator determines that the request for confidentiality cannot be honored.

**Requesting Confidentiality: How Farmingdale State College Will Weigh the Request and Respond:**

If you disclose an incident to a Farmingdale State College employee who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality or do not consent to the institution’s request to initiate an investigation, the Title IX Coordinator must weigh your request against our obligation to provide a safe, non-discriminatory environment for all members of our community, including you.

We will assist you with academic, housing, transportation, employment, and other reasonable and available accommodations regardless of your reporting choices. While reporting individuals may request accommodations through several college offices, the following office can serve as a primary point of contact to assist with these measures Dean of Students, Laffin Hall, 631-420-2104. We also may take proactive steps, such as training or awareness efforts, to combat sexual violence in a general way that does not identify you or the situation you disclosed.

We may seek consent from you prior to conducting an investigation. You may decline to consent to an investigation, and that determination will be honored unless the Farmingdale State College’s failure to act does not adequately mitigate the risk of harm to you or other members of the Farmingdale State College community. Honoring your request may limit our ability to meaningfully investigate and pursue conduct action against an accused individual. If we determine that an investigation is required, we will notify you and take immediate action as necessary to protect and assist you.

When you disclose an incident to someone who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality, Farmingdale State College will consider many factors to determine whether to proceed despite that request. These factors include, but are not limited to:

- Whether the accused has a history of violent behavior or is a repeat offender;
- Whether the incident represents escalation, such as a situation that previously involved sustained stalking,
the increased risk that the accused will commit additional acts of violence;
Whether the accused used a weapon or force;
Whether the reporting individual is a minor; and
Whether we possess other means to obtain evidence such as security footage, and whether the report reveals a pattern of perpetration at a given location or by a particular group.

If Farmingdale State College determines that it must move forward with an investigation, the reporting individual or victim/survivor will be notified and Farmingdale State College will take immediate action as necessary to protect and assist them.

Public Awareness/Advocacy Events:
If you disclose a situation through a public awareness event such as “Take Back the Night,” candlelight vigils, protests, [applicable student organization or other event or forum], or other public event, the Farmingdale State College is not obligated to begin an investigation. Farmingdale State College may use the information you provide to inform the need for additional education and prevention efforts.

Institutional Crime Reporting
Reports of certain crimes occurring in certain geographic locations will be included in the Farmingdale State College Clery Act Annual Security Report in an anonymized manner that neither identifies the specifics of the crime or the identity of the reporting individual or victim/survivor. Title IX Coordinator, Dr. Veronica Henry, 631-420-2622, Chief Marvin Fischer, University Police and the Hotline number: 631-370-TIPS.

Farmingdale State College is obligated to issue timely warnings of Clery Act crimes occurring within relevant geography that represent a serious or continuing threat to students and employees (subject to exceptions when potentially compromising law enforcement efforts and when the warning itself could potentially identify the reporting individual or victim/survivor). A reporting individual will never be identified in a timely warning.

The Family Educational Rights and Privacy Act allows institutions to share information with parents when (1) there is a health or safety emergency, or (2) when the student is a dependent on either parents’ prior year federal income tax return. Generally, Farmingdale State College will not share information about a report of sexual violence with parents without the permission of the reporting individual.

Student Onboarding and Ongoing Education Guide
The State University of New York and its State-operated and community colleges believe that sexual violence prevention training and education cannot be accomplished via a single day or a single method of training. To that end, SUNY campuses will continue to educate all new and current students using a variety of best practices aimed at educating the entire college community in a way that decreases violence and maintaining a culture where sexual assault and acts of violence are not tolerated.

All new first-year and transfer students will, during the course of their onboarding to a SUNY State-operated or community college, receive training on the following topics, using a method and manner appropriate to the institutional culture of each campus:

- The institution prohibits sexual harassment, including sexual violence, domestic violence, dating violence, stalking, other violence or threats of violence, and will offer resources to any victims/survivors of such violence while taking administrative and conduct action regarding any accused individual within the jurisdiction of the institution.
- Relevant definitions including, but not limited to, the definitions of sexual violence and consent.
- Policies apply equally to all students regardless of sexual orientation, gender identity, or gender expression.
- The role of the Title IX Coordinator, University Police/Campus Security, and other relevant offices that address violence prevention and response.
- Awareness of violence, its impact on victims/survivors and their friends and family, and its long-term impact.
• The Students’ Bill of Rights and Sexual Violence Response Policy, including:
  o How to report sexual violence and other crimes confidentially, and/or to college officials, campus law enforcement and security, and local law enforcement.
  o How to obtain services and support.
• Bystander Intervention and the importance of taking action, when one can safely do so, to prevent violence.
• The protections of the Policy for Alcohol and/or Drug Use Amnesty in Sexual and Interpersonal Violence Cases.
• Risk assessment and reduction including, but not limited to, steps that potential victims/survivors and potential assailants and bystanders to violence can take to lower the incidence of sexual violence.
• Consequences and sanctions for individuals who commit these crimes.

The onboarding process is not limited to a single day of orientation, but recognizes that students enroll at different times at different SUNY campuses and gives campuses the flexibility to best educate students at a time and manner that can most effectively bring these points to light. SUNY will conduct these trainings for all new students, whether first-year or transfer, undergraduate, graduate, or professional. Each campus shall use multiple methods to educate students about sexual violence prevention. Each SUNY institution will also share information on sexual violence prevention with parents of enrolling students.

Students at SUNY State-operated and community college campuses shall be offered general and specialized training in sexual violence prevention. Each institution will conduct a campaign, compliant with the requirements of the Violence Against Women Act, to educate the student population. Further, institutions will, as appropriate, provide or expand specific training to include groups such as international students, students that are also employees of the campus, leaders and officers of registered/recognized student organizations, online and distance education students. Institutions will also provide specific training to members of groups identified as likely to engage in high-risk behavior.

Beginning in the 2015-2016 academic year, SUNY State-operated and community colleges will require that student leaders and officers of registered/recognized student organizations and those seeking recognition complete training on domestic violence, dating violence, sexual assault, or stalking prevention as part of the approval process and require student-athletes to complete training in domestic violence, dating violence, sexual assault, or stalking prior to participating in intercollegiate athletics.

Methods of training and educating students may include, but are not limited to:

• President’s welcome messaging;
• Peer theater and peer educational programs;
• Online training;
• Social media outreach;
• First-year seminars and transitional courses;
• Course syllabi;
• Faculty teach-ins;
• Institution-wide reading programs;
• Posters, bulletin boards, and other targeted print and email materials;
• Programming surrounding large recurring campus events;
• Partnering with neighboring SUNY and non-SUNY colleges to offer training and education;
• Partnering with State and local community organizations that provide outreach, support, crisis intervention, counseling and other resources to victims/survivors of crimes to offer training and education. Partnerships can also be used to educate community organizations about the resources and remedies available on campus for students and employees seeking services; and
• Outreach and partnering with local business those attract students to advertise and educate about these policies.

Each SUNY campus must report back to the Chancellor on or before March 31, 2015 on their plan to comply with this policy. Each institution must engage in a regular assessment of their programming and policies to determine effectiveness. The institution may either assess its own programming or conduct a review of other campus programming and published studies to adapt its programming to ensure effectiveness and relevance to students.
FARMINGDALE STATE COLLEGE SEXUAL HARASSMENT POLICY

Sexual harassment of any kind is a form of discrimination and is unacceptable at the College. We cultivate an atmosphere of freedom of expression, yet such an environment is only possible in conjunction with the responsibility to observe the rights of others. The President and the College will not tolerate harassment nor condone it in any form, and are committed to providing and preserving an atmosphere free from harassment.

Harassment undermines the integrity of employment and educational pursuits. No one is to be subjected to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical.

Sexual harassment is defined by law as any unwelcome sexual advance, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a condition of an individual’s employment, (2) submission or rejection of such conduct by an individual is used as a basis for employment decisions affecting said individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment. Such conduct, whether committed by supervisors or non-supervisory personnel, is specifically prohibited. This includes, but is not limited to: repeated offensive and or unwanted sexual flirtations, advances, or propositions; verbal abuse of a sexual nature; graphic or degrading verbal comments about an individual or his or her appearance; the unwanted display of sexually suggestive objects or pictures; or any offensive physical contact, such as patting, pinching, or brushing against another’s body.

Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. §§1681 et seq., and its implementing regulations, 34 C.F.R. Part 106, prohibit discrimination on the basis of sex in education programs or activities operated by recipients of Federal financial assistance. Sexual harassment of students, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX.

Sexual violence is a form of sexual harassment prohibited by Title IX. Title IX also prohibits gender-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

OFFICE OF THE EXECUTIVE ASSISTANT TO THE PRESIDENT/DIVERSITY, EQUITY AND INCLUSION

Any faculty or staff member who receives a complaint of sexual discrimination, or who wishes to file such a complaint on his/her own, shall report the complaint to the Executive Assistant to the President/Title IX Coordinator.

If an employee or student feels that he/she has been a victim of sexual harassment, the incident may also be addressed informally with a Farmingdale State staff member or the Director of Human Resources, who in turn will notify the Office of the Executive Assistant to the President/Equity and Diversity Office. These discussions will be handled professionally and with discretion. If appropriate, an attempt will be made to resolve the problem informally and/or formally through the use of The State University of New York’s Discrimination Complaint Procedure.

RETALIATION

Retaliation against a person who files a complaint, serves as a witness, or assists or participates in any manner in this procedure is strictly prohibited and may result in disciplinary action. Retaliation is an adverse action taken against an individual as a result of complaining about unlawful discrimination or harassment, exercising a legal right, and/or participating in a complaint investigation as a third-party witness. Participants who experience retaliation should contact the campus Equity and Diversity Officer/Title IX Coordinator.

FILING A SEXUAL HARASSMENT/DISCRIMINATION COMPLAINT

Faculty & Staff

Any faculty or staff member who believes he/she has been the target of sexual harassment should promptly report this to his/her immediate supervisor or the Director of Human Resources, who will in turn report the complaint to the Executive Assistant to the President. In a case where the complaint may involve the immediate supervisor, the Director of Human Resources or the Executive Assistant to the President should be contacted directly.

Students

Any Farmingdale State student who believes he/she has been the target of harassment should promptly report this matter to the Dean of Students, a Farmingdale State staff member or the Director of Human Resources, who in turn will report the potential charge of harassment to the Executive Assistant to the President.
INVESTIGATION PROCESS

Pursuant to the State University of New York’s Discrimination Complaint Procedure, the complaint will be investigated expeditiously by the Executive Assistant to the President/Title IX Coordinator.

For more information contact: Dr. Veronica Henry, Executive Assistant to the President/Title IX Coordinator, Office of Diversity, Equity and Inclusion 631-420-2622, Horton Hall Room 210, or Andrea Thomas, Deputy Title IX Coordinator, 631-794-6276, Thompson Hall Room 207.

Confidentiality shall be maintained whenever possible. However, absolute confidentiality is not always possible. Complaints are handled with discretion according to the principles of due process and fundamental fairness as follows:

1. A person bringing a complaint in good faith will suffer no retaliation.
2. The complaint should be in writing and sufficiently detailed.
3. The person charged will be promptly notified and given an opportunity to respond.
4. Students must file a complaint within 180 calendar days following the alleged discriminatory act, or 90 calendar days after a final grade is received, for the semester during which the discriminatory acts occurred, if that date is later.

5. A preponderance of the evidence standard is used to evaluate complaints.

If a complaint is found to be valid, appropriate administrative action shall be taken, which may include but is not limited to counseling referrals, termination, demotion, reassignment, suspension, reprimand or training, depending on the severity of the behavior.

Sexual harassment in the workplace is a prohibited practice under Section 703 of Title VII of the 1964 Civil Rights Act as amended by the Equal Employment Opportunity Act of 1973. In as much as the Equal Employment Opportunity Commission holds supervisory personnel liable for the actions of their employees and outsiders with respect to the above policy, supervisory personnel are required to inform their staff of the institutional policy and of the seriousness of the issue.

DUE PROCESS FOR SEXUAL HARASSMENT

A complainant has the right to request alternative arrangements where the complainant does not want to be in the same room as the accused during the hearing. These alternative arrangements must be consistent with the rights of the accused. Accordingly, alternative arrangements must enable both parties and the Judicial Hearing Board to hear each other.

Any rights or processes offered to an accused student shall also be offered to the complainant. These include, but are not limited to, the right to appeal, have an advisor at a Judicial Hearing Board hearing and call witnesses.

The accused student and complainant may not directly question or cross-examine each other. Each may submit questions to the Hearing Administrator, who will be responsible for asking the questions.

Student complainants have an absolute right to be informed of the outcome, essential findings, and consequences of the hearing, in writing, in a way consistent with federal and state law. The complainant and accused shall be notified concurrently in writing within ten (10) business days of the Judicial Hearing Board hearing.

After receiving notice of the disciplinary board’s decision, either party can request an appeal within five (5) business days. See section 8.B for the basis of an appeal.

The non-appealing party (either the complainant or accused) will receive notice of the appeal and may submit a written response to the requesting party’s appeal within five (5) business days, which the Vice President for Student Affairs will consider along with the appeal. The decision of the Vice President for Student Affairs is final.

**BIAS CRIMES PREVENTION**

**HATE CRIMES AND THE LAW**

It is a University Police mandate to protect all members of the Farmingdale State community by preventing and prosecuting bias of hate crimes that occur within the campus jurisdiction.

Hate crimes, also called bias crimes or bias related crimes, are criminal activity motivated by the perpetrator’s bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, color, national origin, religion, creed, age, disability, sex, gender identity, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction. Hate/bias crimes have received renewed attention in recent years, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from University Police headquarters.

Penalties for bias related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedures where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, University Police also assist in addressing bias related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the University as acts of bigotry, harassment, or intimidation directed at a member or group within the Farmingdale community based on race, color, national origin, religion, creed, age, disability, sex, gender identity, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction may be addressed through the State University’s Discrimination Complaint Procedure or the campus conduct code. Bias incidents can be reported to University Police as well as to the Equity and Diversity Office.
If you are victim of, or witness to a hate/bias crime on campus, report it to University Police immediately by calling 631.420.2111. Additional methods of reporting information include: the Dean of Students Office and the Vice President for Student Affairs. Blue Light and campus emergency telephones are strategically placed for emergency reporting. University Police will investigate and follow the appropriate adjudication procedures. Victims of bias crime or bias incidents can avail themselves of counseling and support services from the campus as follows: Campus Mental Health Services in Sinclair Hall or by calling 631.420.2006.

POLICY FOR INVOLUNTARY LEAVE/SUSPENSION FOR MEDICAL/PSYCHOLOGICAL/SAFETY REASONS

In the legitimate interest of the College in protecting the safety and welfare of specific individuals or the general public, the College President, Vice President for Student Affairs or the Dean of Students may temporarily suspend an individual. A decision to temporarily suspend a student under this policy may only be made after a finding that the student poses a direct threat to others or the community.

A finding that a student poses a direct threat should be based upon evidence that the student has engaged, or threatened to engage, in behavior which poses imminent danger of causing substantial harm to others or would directly and substantially impede the lawful activities of others. The assessment should be individualized and objective and focused on the student’s ability to safely participate in the College’s program. Campus Mental Health Services, the Director of Health and Wellness, or other medical professionals, may be engaged in order to ensure that the finding is consistent with the most current medical knowledge.

A student placed on Involuntary Leave/Suspension will be required to leave the College and its premises. Prior to his/her return, the student must seek a psychological/medical evaluation and allow the results to be shared with the Director of Campus Mental Health Services or the Director of Health and Wellness. To the extent necessary to ensure that the student can safely return to the campus, this evaluation will be shared with the Vice President for Student Affairs or designee, who will make the final determination in writing to the student. As a condition of the student’s return to the College, a contract may be developed which prescribes responsibilities and terms of return to the student. This contract will be administered by the Office of the Dean of Students. Failure to comply with this contract would result in immediate suspension or dismissal from the College.

The following procedures shall apply if a student wishes to appeal an Involuntary Leave/Suspension:
1. The appeal must be in writing, outlining the reasons for the appeal, addressed to the Appeals Officer, submitted to and received by the Dean of Students Office.
2. Upon receipt of an appeal, the Appeals Officer may require records from the reporting office and the Dean of Students for review.
3. The appeal will be reviewed within seven (7) business days.
4. Once the student’s appeal is accepted by the Appeals Officer, the Officer may modify any interim action imposed until the appeal process is completed. This can only be done after consultation with the Vice President of Student Affairs or designee.
5. The appeal and the supporting documentation shall be reviewed. The Appeals Officer may invite the student who is appealing, the Dean of Students, and/or others to provide more details or for clarification.
6. The Appeals Officer will make his/her final determination and send the recommendation to the Vice President for Student Affairs or designee for approval.
7. The student will be notified in writing of the final determination within five (5) business days of the completion of the review. All letters will be delivered via U.S. Postal Service or electronically via the Farmingdale State College email service to the student’s permanent address in the College files.
8. All records of actions by the Appeals Officer will be kept in the official files of the Vice President for Student Affairs or designee.

ACADEMIC INTEGRITY AND DISCIPLINARY PROCEDURES

Each member of the Farmingdale State College campus community is expected to maintain academic integrity. Farmingdale State College has developed regulations concerning academic dishonesty and integrity to protect all students and to maintain an ethical academic environment. This includes prohibiting any form of academic dishonesty as outlined below.

Academic dishonesty cannot be condoned or tolerated in a college community. Such behavior is considered a violation of the Student Code of Conduct, and students found guilty of committing an intentional act of fraud, cheating or plagiarizing will be disciplined and face penalties.
The College regards academic dishonesty as an intentional act of fraud, in which a student seeks to claim credit for the work or efforts of another individual without correct documentation, or uses unauthorized, undocumented or fabricated information in any academic exercise.

The College also considers academic dishonesty to include forging of academic documents, intentionally impeding or damaging the academic work of others, or assisting other students in acts of dishonesty. Academic dishonesty is divided into four categories which are defined as follows:

- **Cheating**: Intentionally using or attempting to use unauthorized materials (including all electronic devices), information or study aids in any academic exercise.
- **Fabrication**: Unauthorized falsification or invention of any information or citation in an academic exercise.
- **Facilitating Academic Dishonesty**: Knowingly helping someone commit an act of academic dishonesty.
- **Plagiarism**: Intentionally representing the words or ideas of another as one’s own in any academic exercise. This includes words or ideas in either print or electronic format.

Academic dishonesty is morally wrong, and such behavior interferes with learning and intellectual development. Therefore, all members of the campus community have the responsibility to prevent dishonesty, protect honest students, and enforce campus policies. These responsibilities include but are not limited to the following:

- Faculty members have the responsibility to establish standards of academic integrity and disciplinary policies in cases of academic dishonesty (consistent with the standards and policies of the College) and to include a statement of those standards on their course syllabi.
- Students have the responsibility to abstain from academic dishonesty or facilitating the dishonest behavior of others.

Violation of the academic integrity policy is strictly prohibited and may result in a disciplinary action ranging from a warning letter to probation, suspension, or dismissal from the College with a permanent transcript notation. Please refer to the Student Code of Conduct Article IV and V.

It is strongly recommended that any violation of the academic integrity policy be reported to the Dean of Students. Individual Departments are encouraged to establish appropriate disciplinary procedures and to make certain that the criteria are understood and enforced by both full-time and part-time faculty.

Students will be required to complete a pledge and affirmation of receipt of Farmingdale State College’s Academic Integrity Policy at Student Orientation.

**ELECTRONIC DEVICES IN THE CLASSROOM**

The College is committed to educationally sound uses of technology in the classroom and to preventing technology from becoming disruptive to the learning environment. The course instructor decides when, if, and what type of technology is to be used during class. Any use of technology that degrades the learning environment, promotes dishonesty, or is used for illegal activities is prohibited.

*Electronic devices and illegal activities:*

Activities involving electronic devices that violate laws, such as those related to intellectual property rights or copyrights, invasions of privacy, or sexual or other forms of harassment are prohibited. Examples include using a camera phone to videotape a lecture or meeting or taking photos without the participants’ written permission. It is advisable for instructors to anticipate that such issues with wireless communications and electronic devices may arise and publish restrictions in their course syllabi.

**GUIDELINES FOR DISRUPTIVE STUDENTS**

Instructors have the responsibility to maintain an effective learning environment in their classrooms and to deal promptly with any disruptions that interfere with this environment. Faculty has the right to teach and students have the right to learn; no one student will be permitted to infringe on these rights. A faculty member, in reasonably discharging this responsibility and acting in accordance with these guidelines on disruptive students in the classroom, shall receive College support and, whenever necessary, legal protection.

An instructor has the responsibility, therefore, to remove, without physical force, a disruptive student from the classroom. Upon request of the instructor, the student must immediately leave. If the disruptive student refuses to leave on request or there is a concern for the safety of students, or self, the instructor has the option of either dismissing the class or calling University Police depending on the gravity of the situation.
Consistent with a philosophy of progressive discipline, when a student is ejected from a class for the first time, it shall be for that class period only. The instructor shall submit, promptly, a written report of the incident to the Vice President for Student Affairs/designee, with copies to the school dean, Department Chair, and the student’s curriculum chair. In addition, if the situation is threatening enough to have called University Police, the instructor must notify the Vice President for Student Affairs/designee and the Dean of Students’ Office immediately. The instructor shall be prepared to provide any additional supporting information and to prepare charges against the student when appropriate. Under the circumstances, the student will receive a summary statement of the report from the Vice President for Student Affairs/designee and warning of potential consequences if another incident were to occur. Any subsequent incident reported to the Vice President for Student Affairs/designee, involving the same student in any class would result in appropriate administrative action by the Vice President for Student Affairs/designee and possible referral for disciplinary action by the College. The consequences of each action may include denying the student further access to the class or other disciplinary action, including dismissal from the College.

NOTIFICATION OF RIGHTS UNDER FERPA FOR POSTSECONDARY INSTITUTIONS

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is accurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff): a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent): a person serving on the Board of Trustees; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(Optional) Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll. (NOTE: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request).  

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

    Family Policy Compliance Office
    U.S. Department of Education
    400 Maryland Avenue, S.W.
    Washington, D.C. 20202-4605

Students seeking to contact College faculty, staff and/or offices via email should use their Farmingdale State College email address. Emails coming from private email providers will not be answered if doing so violates privacy laws.

- The student(s) can be reasonably considered a possible threat and/or clear danger to the safety of the College community.

ARTICLE IV
Charges
Any member of the College community may charge a student with an alleged violation of the Code of Conduct. The charge(s) must be sent in writing to the Dean of Students/designee who will investigate and, if warranted, proceed with disciplinary action against the alleged violator. Due process is guaranteed throughout the entire disciplinary process.

1. Interim Suspension: In certain circumstances the Dean of Students/designee shall impose a temporary measure to immediately remove student(s) from classes, residence halls, activities or any other College privileges pending an investigation and hearing. Interim suspension shall be imposed to insure the safety and well-being of members of the College community, College property, or to ensure the student’s own physical or emotional safety and well-being. The imposition of the Interim Suspension does not preclude further disciplinary actions. Students who are on “interim suspension” status must report to University Police upon entering the campus and then proceed to the disciplinary hearing when scheduled or counseling when required.

A. All students must telephone or email the Dean of Students Office within three (3) business days of the effective date of Interim Suspension to be advised of the date and time of the disciplinary proceedings. Students who are in an Interim Suspension status are not required to receive a separate letter of violation charges. Students who email MUST use Farmingdale email addresses.

B. All students may also be advised in writing by mail or email (or in person if the interim suspension does NOT prohibit them from being on campus or at the time of the conduct of the hearing when mailing is not expedient) of specific charges of alleged violation(s) of the Code of Conduct. Reminder: All Students must still telephone contact the Dean of Students Office to be advised.

C. Failure to communicate with the Dean of Students within the designated time will result in the disciplinary hearing being conducted in absentia and may result in dismissal from the College. Disciplinary action resulting from hearings held in absentia will have no right of appeal.

2. Hearing Postponement Policy: A student may request a maximum of two postponements of a hearing for legitimate or extenuating circumstances. All requests must be in written form and received by the Dean of Students/designee minimum of 24 hours in advance of the hearing. Request for a postponement of a Monday hearing must be received by 4:00pm on Fridays.
A. The College reserves the right to postpone a hearing for legitimate reason at any time. Reasonable attempts will be made to contact the student at the telephone number on record at the College or via campus email.

B. Failure to attend a scheduled hearing with no notification will result in the hearing being conducted in absentia. Disciplinary action, resulting from hearings held in absentia, have no right of appeal.

ARTICLE V
Disciplinary Procedures

1. A violator is charged with an alleged violation of the Student Code of Conduct. In other than Interim Suspension cases, The Dean of Students shall notify the student in writing of the charges within three (3) business days unless it is determined that more investigative time is necessary. Campus communication of charges of violation of Student Code of Conduct are delivered via U.S. Postal Service (certified and return receipt requested) and electronically via Farmingdale State College’s email service. In the case of on-campus residents, written communications will be delivered to the student’s residence hall mailbox (Students in an interim suspension status will be notified by both U.S. Postal Service to the home address currently on record in the College data base and campus residence). The charges shall note details such as: student’s name and address, specific alleged violation of the Code, and the date, time and place of the alleged violation when appropriate. At this time a disciplinary hearing is scheduled by the Dean of Students. Failure to respond to notification of hearing will be considered as an admission of responsibility and appropriate sanction will be imposed. Refusal/failure to accept and/or sign for written/electronic communication regarding violations and/or charges DOES NOT preclude responsibility for the charges.

All disciplinary hearings will be conducted through a Judicial Hearing Process-Judicial Hearing Board or Administrative Hearing Procedure-at a time to be determined by the Dean of Students. The procedure by which a hearing will be conducted will be determined by the Dean of Students/designee.

2. The Dean of Students may continue to investigate the case as new or additional evidence is brought forth.

3. At the hearing, the student is called to discuss the charges with the Dean of Students/Judicial Hearing Board and present his/her account of the incident. The College reserves the right to search all individuals prior to entering the hearing.

4. The Dean of Students/Judicial Hearing Board and/or the student may call in persons who witnessed the incident to attend the hearing and discuss their account of the incident. The Dean of Students/Designee/Judicial Hearing Board must be notified of the presence of witnesses at least 24 hours in advance of the hearing. The admission of witness testimony or witness written statement is at the discretion of the Dean of Students and/or the members of the Judicial Hearing Board.

5. A student may appear with legal representation; however, this representative may serve only in an advisory capacity and may not address the Dean/Judicial Hearing Board. If legal representation is to be present, the Dean of Students must receive 24 hour written notice prior to the hearing. An original signed written letter notifying the retaining of legal counsel by the student must be presented prior to the conduct of the hearing. The Board/Dean of Students reserves the right to limit the number of representatives present at disciplinary proceedings.

6. A student may be accompanied by family members or friends; however, they may serve only in a supportive capacity and may not address the Dean/Judicial Hearing Board. If family members or friends are requesting to attend the hearing, the Dean of Students must receive 24 hour written notice from the student prior to the hearing. The admission of these members is at the discretion of the Dean of Students and/or the members of the Judicial Hearing Board. A student will be limited to a maximum of two support individuals upon approval of the Dean of Students and/or the members of the Judicial Hearing Board.

7. Failure on the part of the student(s) to appear at the hearing to discuss the charges is in itself a violation of the Student Code of Conduct and subject to disciplinary action.

8. If charges are without merit, the case against the student is dropped and the investigation shall promptly cease. The student will be found not responsible. In the event that additional information or evidence is made available to campus authorities, the campus reserves the right to reopen the case on the same or related charges.

9. If the Dean of Students/Judicial Hearing Board determines that there is a violation of the Student Code of Conduct, the student will be found responsible and sanctioned. Prior to final determination, in certain cases, the responding student and the reporting student will be provided with the opportunity to make a victim impact statement. This will be determined by the Dean of Students/designee.
10. The student will be notified in writing of the outcome of the hearing within an appropriate amount of time. Campus communication of charges of violation of Student Code of Conduct and determination letters are delivered via U.S. Postal Service (certified and return receipt requested) and electronically via Farmingdale State College’s email service. In the case of on-campus residents, written communications will be delivered to the student’s dorm mailbox (Students in an interim suspension status will be notified by both U.S. Postal Service to the home address currently on record in the College data base and campus residence). Refusal to accept and/or sign for written/electronic communication regarding the outcome of Judicial Hearings does not preclude responsibility for the outcome.

11. A student may appeal the Dean of Students/Judicial Hearing Board’s sanction. All appeals must be filed within five (5) business days of receipt of notification of sanction to the Dean of Students. The student must write his/her appeal in compliance with the Guidelines for a Written Appeal available in Dean of Students’/Vice President’s office, and online in the Student Handbook. The request for an appeal review does not assume a review will be granted.

12. The names of the specific members serving on a Judicial Board are to remain anonymous, with the exception of the Hearing Officer conducting the process.

13. A valid appeal will be reviewed by the Judicial Appeals Officer at an appeal review.

14. The recommendation of the Judicial Appeals Officer will be communicated to the Vice President for Student Affairs/designee who determines the College’s final action.

ARTICLE VI
Permanent Transcript Notation

Students that are found responsible for Code violations and suspended from the College or expelled from the College for violation(s) of the Student Code of Conduct will receive a permanent notation on her/his academic transcript. Additionally, students found responsible for these violations resulting in their suspension or expulsion from the College shall not receive credit for the semester in which they are suspended or expelled. ALL STUDENTS WHO ARE FOUND RESPONSIBLE FOR VIOLATION OF THE STUDENT CODE OF CONDUCT AND WHO ARE SUSPENDED OR EXPelled FROM THE COLLEGE ARE NOT ENTITLED TO ANY FINANCIAL REFUNDS. This includes tuition, fees, and room and board charges (including unused board). Thus, the suspended student and expelled student are LIABLE for all tuition and fees for that semester in which they were suspended or expelled from the College.

Students who are suspended from the College for a period of time less than a semester MAY still have a permanent transcript notation on hers/his academic transcript depending upon the circumstances surrounding the violation, the egregious nature of the violation, or the need for the notation in the judgment of the President of the College or his/her Designee as the Chief Campus Judicial Officer. During short term suspension from the College, students ARE NOT eligible for financial refunds for any missed services during the times of absence nor are they eligible to participate in campus events or co-curricular programs.

Students who receive a transcript notation for disciplinary suspension from the College may appeal to have their notation expunged no sooner than one year after completion of suspension time/judicial sanction. Students who are expelled for disciplinary reasons will receive a permanent transcript notation.

In determining whether to remove the notation or not, the Vice President shall convene members of the Campus Judicial Appeals Board, the Dean of Students, and any others necessary to making a fair and appropriate decision. The recommendation of this group shall be made in writing to the President of the College or his/her Designee who will make the final decision.

For additional record request information see section “Student Conduct Record Request Procedure.”

Judicial Hearing Board

The Judicial Hearing Board will be convened by the Dean of Students/designee in cases that could result in significant disciplinary action, including but not limited to, suspension or expulsion from the College.

The Judicial Hearing Board is composed of two faculty members, two students, and two professional staff members. Recommendations for faculty, professional staff and student appointments will be made to the Dean of Students.

In order for a Judicial Hearing Board to be conducted, a minimum of one student, one faculty member and one professional staff member, plus the Dean of Students/designee must be present to satisfy quorum requirements.

All proceedings of the Judicial Hearing Boards will be recorded. These will serve as the official record of the College. No other recording will be permitted. Students may request a copy of the proceedings by submitting a written request to the office of the Dean of Students, Laffin Hall #314. Fees will be assessed for copies of documents, audio and video recordings, as appropriate.

1. **Disciplinary Warning** - a verbal/written statement from the Dean of Students/designee expressing disapproval of conduct. A record of disciplinary reprimand will be maintained by the Dean of Students/designee’s Office.

2. **Social Probation** - during the probationary period, a student is excluded from participating in co-curricular activities and may not represent the College as an athlete or in any official capacity, nor may he/she hold any appointed or elected position within the College community. A record of a social probation sanction shall be maintained by the Dean of Students’ Office.

3. **Restitution** - a written direction to replace, repair or make specific compensation for property of the College, another person, or College related property. A record of a direction to make restitution shall be maintained in the Dean of Students’ Office.

4. **Disciplinary Suspension** - during the period of suspension, a student is excluded from classes and all other College privileges or activities. A record of disciplinary suspension is maintained as a permanent record in the Vice President for Student Affairs and Dean of Students’ Office. A disciplinary suspension of one semester or more will require the student to apply for readmission to the College subject to College policy and approval of both the Vice President and the Department chairperson. During this time, a “Dean of Students’ Hold” is placed on the student’s record.

5. **Disciplinary Expulsion** - a termination of enrollment of a student. The student will not be permitted to return to the College. The disciplinary expulsion is maintained as a permanent record in the student file and a “Dean of Students’ Hold” is placed on the student’s record.

6. **Community Service Sanction** - a constructive undertaking by a student, by agreement of the student and the Dean of Students/designee. A record of Community Service sanctions shall be maintained in the Dean of Students’ Office. If the Community Service Sanction is not satisfactorily completed, the Dean of Students/designee will place a “Dean of Students’ Hold” on the student’s record, and may invoke further disciplinary action.

7. **Substitute Sanction** - the Dean of Students/designee reserves the right to impose an alternative sanction. Record of substitute sanctions shall be maintained in the Dean of Students’ Office.

**Note:** Any sanction determined for previous violations may be introduced in subsequent disciplinary hearings. Students have the right to appeal any sanction imposed by the Dean of Students/designee/Hearing Officer. All appeals must be written to the Judicial Appeals Officer, and submitted to the Dean of Student’s Office within five (5) business days of receipt of sanction letter. Guidelines for written appeals are available in the Dean of Student’s Office. Appeals which do not adhere to these guidelines will not be considered by the Judicial Appeals Officer. The Judicial Appeals Officer will determine the validity of the appeal and schedule a review if appropriate. The disciplinary procedures and sanctions stated in the previous section are in effect for 2015-2016 Academic Year and will remain in effect for all subsequent years unless superseded by a new or revised policy document.

**STUDENT ORGANIZATIONS AND THE STUDENT CODE OF CONDUCT (SCOC)**

1. **DEFINITIONS AND TYPES**
   
   Student Organizations are organizations that are operated by students at the College and are formally recognized by the College or its designee. Membership in student organizations consists of enrolled students and a faculty or staff advisor.

2. **STANDARD OF CONDUCT**
   
   Student Organizations are expected to adhere to the same standards of conduct applicable to individual students. Specific violations of this standard include, but are not limited to:

   A. Violating, or permitting its members or their guest to violate, or failing to prevent, where such prevention was possible the violation of this Code of Conduct or any applicable local, state, or federal law. This includes “hazing” as specified in #13 of the Student Code of Conduct (SCOC).

   B. Committing any act in violation of any policy, procedure or agreement, including the College’s Residence License Agreement, Campus Computing Services Policies, Student Code of Conduct, other College Policies/Procedures, or another agreement between a student organization and a College official and department, as well as rules promulgated by the appropriate College official and any other rules made applicable to student organizations.

   C. No student organization or Student Activity Fee money may be used for the purchase of alcohol or alcohol related goods or services.
3. **APPLICATION OF POLICY**

   A. Any violation of this Code of Conduct by one or more members of a student organization may constitute a violation by the organization itself. Where those administering the Judicial Hearing Process conclude that there are sufficient connections between the acts of individual students and an organization to which they belong, sanctions may be imposed on the organization as well as any offending members. Conversely, when an organization has been found responsible for a Code offense, those administering the Judicial Hearing Process may impose sanctions on some or all members of that organization depending upon the degree of general participation in the offense. Rescission of recognition of the organization may result as all or part of a judicial action.

   B. In the event that a student or group is charged with an offense under the Student Code of Conduct, it shall not be a defense that the organization in question is one which is no longer recognized by Farmingdale State College as a result of its status being rescinded, revoked or suspended.

**JUDICIAL APPEALS**

Judicial Appeals are considered by the Judicial Appeals Officer who receives, reviews and may hear appeals of disciplinary decisions made by the Dean of Students/designee/Hearing Officer. The Judicial Appeals Officer’s responsibility is to recommend to the Vice President for Student Affairs/designee to accept, reduce, modify or remove the sanctions imposed by the Dean of Students/designee/Hearing Officer after review of all evidence and information pertinent to the student’s appeal. Final decisions on all appeals will be determined by the Vice President for Student Affairs.

      e.g., Was the student given an adequate opportunity to prepare and present a response to the charges?
   b. Insufficient Evidence
      e.g., Was the evidence presented at the hearing “substantial” enough to justify the decision against the student?

      e.g., Was the sanction in keeping with the violation?

2. The appeal must be in writing, outlining the reasons for the appeal, addressed to the Judicial Appeals Officer, submitted and received by the Dean of Students’ Office within five (5) business days of receipt of the sanction letter or verification of electronic transmission. Upon receipt of an appeal, the Judicial Appeals Officer will require records from the Dean of Students/designee for review.

3. The Judicial Appeals Officer may accept or deny the appeal based upon insufficient or inadequate information presented in writing by the student(s). If the Judicial Appeals Officer determines there is validity to the appeal, the case may be reviewed. The Judicial Appeals Officer will only review valid appeals of outcomes of disciplinary hearings conducted by the Dean of Students/designee. The appeal will be reviewed promptly. If the appeal is not valid, the sanction(s) will be implemented.

4. If the student’s pending appeal is accepted by the Judicial Appeals Officer, the Officer may temporarily suspend any penalty imposed until the appeal process is completed. This may be done only after consultation with the Dean of Students/designee, or the Vice President of Student Affairs/designee.

5. The appeal and the documentation shall be reviewed. The Judicial Appeals Officer may invite the student who is appealing, the Dean of Students, or others to provide more details for clarification, if necessary.

6. The Judicial Appeals Officer may recommend accepting, modifying, reducing or dismissing the sanction imposed by the Dean of Students/designee/Judicial Hearing Board. The Judicial Appeals Officer will make his/her final determination and send the recommendation to the Vice President for Student/designee for approval. All letters will be delivered via U.S. Postal Service (certified and return receipt requested. In the case of off-campus residents, written communications will be delivered to the student’s room or mailbox in addition to U.S. Postal Service to home address currently in the College files or electronically via campus email).

NEW YORK STATE SMOKING POLICY
The amended New York State Clean Indoor Air Act, which took effect on July 24, 2003, requires every employer in the State to provide smoke-free work areas for all employees in the workplace, including prohibition on smoking in all public buildings.

FARMINGDALE STATE COLLEGE POLICY
Maintaining a healthy environment for the benefit of all students, faculty, staff and visitors is a major priority for the college. Therefore, the college is taking steps to move to a “Tobacco-Free Campus.” In the spirit of acknowledging the difficulty of attaining a tobacco-free campus, we have adopted the motto: “Help Farmingdale State Become a Tobacco-Free Campus.” The support of the entire campus community is required and requested in order to ultimately attain this goal, as described below.

1. Smoking and the use of other tobacco products, including electronic cigarettes, is prohibited inside all buildings, within 25 feet of the perimeter of all buildings, along pedestrian pathways and at outdoor events.
2. Signs will be placed at appropriate locations around campus.
3. Programs will be provided to support smokers and users of other tobacco products in their effort to quit. Activities will include smoking-cessation sessions, distribution of literature, establishing informational web pages, and other means to encourage individuals to stop smoking and using other tobacco products.
4. Enforcement will be through cooperation of community members, education, and polite requests of those in violation to honor the policy. All members of the campus community are encouraged to help by reminding smokers when they violate the rules, by encouraging our colleagues who smoke to seek help to stop smoking, and by supporting them as they seek to stop.

• Using the network in a manner that violates any federal, state, or local law.

ADMINISTRATION AND IMPLEMENTATION:
The University encourages all members of its community to use electronic communications in a manner that is respectful to others. While respecting users’ confidentiality and privacy, the University reserves the right to examine all computer files. The University takes this step to enforce its policies regarding harassment and the safety of individuals; to prevent the posting of proprietary software or electronic copies of electronic texts or images in disregard of copyright restrictions or contractual obligations; to safeguard the integrity of computers, networks, and data either at the University or elsewhere; and to protect the University against seriously damaging consequences. The University may restrict the use of its computers and network systems for electronic communications when faced with evidence of violation of University policies, or federal or local laws. The University reserves the right to limit access to its networks through University-owned or other computers, and to remove or limit access to material posted on University-owned computers.

All users are expected to conduct themselves consistent with these responsibilities and all other applicable University policies. Abuse of computing privileges will subject the user to disciplinary action, as established by the applicable operating policies and procedures of the University. Abuse of networks or computers at other sites through the use of State University of New York at Farmingdale resources will be treated as an abuse of computing privileges at the University.

When appropriate, temporary restrictive actions will be taken by system or network administrators pending further disciplinary action. The loss of computing privileges may result.

When a user ceases being a member of the campus community (e.g., withdraws, graduates, or terminates employment, or otherwise leaves the university), or is assigned a new position and/or responsibilities within the State University system, their access authorization will be reviewed. A member of the campus community may not use facilities, accounts, access codes, privileges or information for which they are not authorized in their new circumstances.

The State University of New York at Farmingdale recognizes that all members of the college community are bound by federal and local laws relating to civil rights, harassment, copyright, security and other statutes relating to electronic media. It should be understood that this policy does not preclude enforcement under the laws and regulations of the United States of America, the State of New York, the State University of New York or SUNY networking contracts.

VIOLATIONS:
Policy violations by students will be handled in accordance with the Student Code of Conduct and referred to the Dean of Students for disciplinary action as appropriate.

Policy violations by University employees will be referred to the head of that employee’s department and handled in accordance with disciplinary actions set forth in the Professional Handbook or other appropriate document. In addition, illegal acts involving Farmingdale State’s computing resources may also subject users to prosecution by state and/or federal authorities.

GUIDELINES FOR THE USE OF DIGITAL MATERIAL: MUSIC, VIDEO, PICTURES, SOFTWARE AND GAMES
The Digital Millennium Copyright Act of 1998 (“DMCA”), which addresses copyright issues regarding digital materials, was signed into law by the President on October 28, 1998. One of the provisions of the DMCA is to limit the liability of educational institutions for damages due to copyright infringement by members of their community. The College complies with all DMCA’s requirements and requires that:
• all members of the College community must follow the College’s Copyright Guidelines for digital material
• all members of the College community must adhere to the College’s Acceptable Use Policy

Both policies are available on the Farmingdale website at:
(http://www.farmingdale.edu/campuspages/informationservices/080808_digital_media_guidelines.pdf)
USE OF COLLEGE EMAIL
In an effort to be sensitive to the environment, the College strongly urges all students, staff and faculty to regularly monitor his or her “farmingdale.edu” email account and use it in all communications relating to the college. As the college email system will be the standard for campus communications, use of the “farmingdale.edu” account is the best way for members of the campus to remain informed of essential information.

Students seeking to contact College faculty, staff and/or offices via email should use their Farmingdale State College email address. Emails coming from private email providers may not be answered if doing so violates law pertaining to privacy of personal information.

EMERGENCY PREPAREDNESS AND RESPONSE
The Farmingdale State College administration has carefully developed an Emergency Management Plan in which senior administrators, faculty, and staff assume specific roles to ensure rapid and effective response and resolution to emergency situations. The Emergency Response Team has identified a wide range of possible emergency scenarios and has developed corresponding, comprehensive response plans to each of these. The team performs drills and tests and monitors our emergency communications systems to ensure that they will be effective when needed. The Emergency Response Team is committed to ensure the safety of community members and to communicate pertinent information and instructions in a timely manner.

Farmingdale State College maintains close relationships with other local institutions, including neighboring colleges, local law enforcement agencies, the local fire departments, volunteer agencies and hospitals. This collection of institutions forms a unified resource for responding to any emergencies in our immediate geographical area. In addition, the College works in collaboration with and relies upon the expertise of local municipal authorities.

The response of our campus community to a crisis situation can be greatly improved by ensuring clear and consistent channels of communication among all members. In an effort to ensure that all Farmingdale State College students are prepared to act effectively in an emergency, we ask that students participate in general preparedness in the following ways:

- Review all safety-related information in the Student Handbook
- Comply with all fire safety drills and evacuations
- Maintain an awareness of your surroundings, the available means of emergency assistance, and the College’s primary venues for communication:
  - Farmingdale State College e-mail
  - The Farmingdale State College web site www.farmingdale.edu
  - The campus video bulletin board
- Be sure to share current contact information with the College, your family and friends so that you may be contacted in the event of an emergency (please note that in an effort to protect the safety and security of our students, the College does not share local contact information.)
- Have a plan in place for communication with your family in the event of a campus or regional emergency.

CAMPUS EMERGENCY RESPONSE AND IMMEDIATE WARNING
In accordance with the Higher Education Opportunity Act (HEOA), the policy of Farmingdale State College is that we will “immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff” on campus (as defined in the Act). Warnings may only be withheld if they would compromise efforts to contain the emergency.

EMERGENCY AND CAMPUS SECURITY PROCEDURES
The University Police Department (UPD) is available for service and emergency response on a 24-hour basis. Any student, faculty member, staff member or visitor may call University Police at (631) 420-2111. All members of the campus community are encouraged, and employees are expected, to report any criminal acts or violations of campus policy. University Police officers will respond immediately. In case of fire, medical, or police emergencies, you may call University Police (631) 420-2111, or 911 on campus.

1. Fire Emergency
   In the event of a fire on campus, pull the nearest alarm box and evacuate the building. Call University Police at (631) 420-2111 to report the fire, as the fire department will have been notified upon alarm activation. Any information you can provide will assist in the response of additional resources.

2. Medical Emergency
   Call University Police at (631) 420-2111, and a first-aid trained officer will respond to the scene of the emergency immediately
3. Police Emergency
   Call University Police at (631) 420-2111.

4. Physical Plant Emergency
   Monday thru Friday between 7:30 AM and 4:00 PM call (631) 420-2018. At all other times contact the

AUTOMATIC EXTERNAL DEFIBRILLATORS
Pursuant to Chapter 510 of the Laws of 2004 and Part 303 of Title 9 of the NYCRR, the State of New York
requires all public institutions and buildings of the state, including leased facilities, to be equipped with automatic
external defibrillators (AEDs) by March 31, 2010. Farmingdale State College has installed AED’s throughout
the campus. The University Police Department regularly conducts training programs in the use of AED’s for
members of the campus community. The AED program will benefit the people of the State of New York by
providing an extra layer of emergency response to those who study at, work in or visit our campus.

EMERGENCY WEATHER PROCEDURES
All members of the college community should be prepared to react to severe weather situations while on campus.
Alerts will be posted on the campus video message board (TV monitors) located throughout the campus. Class
cancellations will also be posted on the campus home page, www.farmingdale.edu

EMERGENCY RESPONSE AND EVACUATION PROCEDURES
The College uses NY-Alert as an emergency contact system designed to send e-mail, recorded voice, and text
messages to multiple addresses and phone numbers, in response to any event or situation on the campus which
poses a serious safety concern, including weather related class cancellations. The system is tested each semester.
Faculty, staff, and students are strongly encouraged to provide their emergency contact information, which is
sent to the State Emergency Management Organization by SUNY System Administration. Students are reminded
to provide/update their information regularly when they access campus web services.

INCIDENTS
All incidents of criminal behavior will be investigated. The State University Police Department will refer the
incident and/or victim to other campus departments or off campus agencies as appropriate. In all cases, victims
will be assisted as necessary. University Police Officers obtain their enforcement powers from the New York
State Criminal Procedure Law.

University Police officers act as agents of the college while they are on duty. They provide escort service to
any member of the campus community or visitor on a 24-hour basis to and from any on-campus location. The
University Police staff is available to present programs related to personal safety.

REPORT SUSPICIOUS PERSONS OR ACTIVITY
Campus facilities are designed for use by members of the campus community only, to include students, faculty,
staff and sanctioned visitors. People not fitting this description should be reported to the University Police and
are asked to leave campus. Administration and classroom buildings are accessible to members of the campus
community during hours designated by the college for office, classroom, laboratory or project work.

GUNS ON CAMPUS
The policy of the State University of New York at Farmingdale has always been to prohibit guns, rifles, and
all other weapons on campus, other than those issued to or assigned to University Police Officers. The campus
“property” is defined as the physical place of business, and includes but is not limited to: all buildings, roadways,
sidewalks or walkways, parking lots, parking garages, and other parking areas, as well as college vehicles. This
prohibition includes students, faculty, and staff, as well as vendors, sub-contractors, and visitors.

BUILDING ACCESS
Academic buildings are accessible from one half hour before the first scheduled class of the day until one half
hour after the last scheduled class of the day. All residential areas are locked to any outside public other than
building residents. Residents enter residential areas through personalized card access. All visitors must be
escorted by a resident at all times.

CAMPUS CLOSING INFORMATION — WEATHER
On occasion, circumstances arise that may result in canceling classes at the college. Conditions such as fire, wind
damage, power failure, snow/ice, severe cold and high winds or other natural disasters are some examples of such
circumstances. When conditions exist that may result in the cancellation of classes at Farmingdale State College, listen
to WLNG, WMJC, WBAB, LOVE, WALK, KJOY, WBZO, WRCN, or WBLI for announcements. Pay careful attention
to whether day classes (beginning before 4 p.m.) or evening classes (beginning at 4 p.m. or later) or both are announced
as canceled. You also may check the college home page at www.farmingdale.edu for class cancellation information.
CLINICAL SITES
If conditions are questionable and you are uncertain about starting out for a clinical site, call your clinical supervisor as directed by your program director. Even if classes are not canceled and you determine that the prevailing conditions are unsafe, the notification procedure is the same. You are ultimately responsible to determine whether or not it is in your best interest to start out for the college or clinical site. If your program director agrees that your circumstance was unsafe, then you will not be charged for makeup. If school closes after you arrive at your clinical site, realize that the college’s first concern is your welfare. The college is concerned about your responsibility for the patient or client. With these two issues in mind, your instructor or the clinician in charge will arrange an appropriate course of action as to when you leave the facility. If, under stormy conditions, you arrive at your assigned clinical site and the instructor has not arrived, and there is no message about how to proceed, you are to call your program director for instructions. If the program director cannot be located, leave a message at the campus switchboard asking for instructions. If you still receive no response, confer with the clinical staff member in charge. If you have any other questions, please address them to your program director.

CAMPUS SECURITY REPORT
The University Police Department makes copies of the Annual Campus Security Report available to all students, faculty and staff via the College website, as well as to all prospective students and employees. This same report is made available on paper from the following offices: Office of Student Affairs, University Police Department, admission offices and human resources.

FIRE SAFETY POLICY
The Farmingdale State College Fire Safety Policy has been established to protect faculty, staff, students and campus visitors from the threat of fire and/or other emergencies that may occur. This policy requires faculty, staff, and students to be made aware of the threat fire poses, what to do to prevent fires, and what to do in case a fire or emergency takes place. This policy is in accordance with mandates of the State University of New York and New York State Office of Fire Prevention and Control. A full copy of this policy can be obtained by contacting Farmingdale State College Physical Plant or Fire Marshal’s office.

ENVIRONMENTAL HEALTH AND SAFETY
Mission Statement
The Office of Environmental Health and Safety (EH&S) at Farmingdale State College supports the mission of the State University of New York (SUNY) System by promoting the principles of safety, environmental compliance, and risk management and assists the College in achieving these outcomes through education, hazard assessment, exposure mitigation, and the responsible management of hazardous materials. Farmingdale State College is committed to the safety and well-being of our employees, students and visitors. We will ensure that policies and practices are developed and adopted that will best protect our campus community, our facilities and our resources. The ultimate goal of EH&S is to provide guidance to every manager, supervisor, faculty or staff member, and student of Farmingdale State College so that a safe, healthful and environmentally sustainable learning environment is achieved and maintained.

Please contact the Environmental Health and Safety Officer for all related matters.

ENVIRONMENTAL HEALTH AND SAFETY COMMITTEE
Mission Statement
The Office of Environmental Health and Safety (EH&S) at Farmingdale State College has collaborated with key stakeholders, including the President and Vice President of the College, Department Chairs and Deans, Operations Systems Managers and Supervisors, among others, to effectively create an Environmental Health & Safety Committee. This committee exists to assist the various campus departments navigate and understand their responsibilities under Environmental and Occupational Health and Safety laws and regulations. It also aims to serve as a forum for members of the campus community to voice their concerns and to raise questions regarding environmental health and safety matters. Ultimately, members of this committee have a primary role of supporting their respective departments to meet regulatory responsibilities and internal policies and procedures. A current EH&S Committee member list can be found via the Farmingdale State College website.

From laboratory waste management to fluorescent light bulb recycling, potential hazardous exposures to everything from asbestos to blood borne pathogens, campus activities and operations are subject to numerous federal and state regulations. This committee will strive to communicate what standards apply and why – making a sometimes complicated set of rules and regulations easier to comprehend and implement. Issues and concerns brought up through this committee will hopefully serve as guiding tools for further enhancing the Environmental Health and Safety programs already established on campus, as well as providing direction on new programs and policy that need to be developed.
This EHS Committee addresses three general categories of laws and regulations:

1. Environmental Compliance and Pollution Prevention
2. Occupational Health and Safety
3. Emergency Response and Preparedness for Hazardous Substances

For more information, or how to get involved, please contact Jeff Carter, EH&S Officer and EH&S Committee Chairperson, at x2105.

To determine the cumulative grade point average, multiply the achievement point value of each grade by the credits designated for each subject, then divide the total achievement points by the number of credits carried.

Only grades earned in the college are considered in the computation of averages for all students. A student must attain a 2.0 cumulative grade point average in order to qualify for graduation. If at the end of any semester a student is deficient in achievement points or deficient in a major course (see specific program requirements), the student may be placed on probation or considered for dismissal, depending on the extent of the deficiency. On recommendation of the Department Chair, a student may be required to carry a reduced schedule.
To be eligible for graduation, a Farmingdale student must achieve a cumulative grade point average of at least 2.0. To advance satisfactorily toward graduation, students are advised to remain in “good academic standing” which is defined in the following:

**GOOD ACADEMIC STANDING**
A student is in satisfactory academic standing when above the level for probation according to the College’s guidelines.

**ACADEMIC PROBATION**
The purpose of academic probation is to alert the student and the institution to problems associated with the student’s academic performance and to recommend or implement strategies for improvement. According to College policy, students who fail to obtain a minimum grade point average of 2.0 in any particular semester will automatically be placed on academic probation which is a warning that their good academic standing is in jeopardy. However, your major may have higher standards to continue in that major. Students placed on academic probation are permitted to continue with their studies at Farmingdale, but are expected to meet with faculty advisors and to seek tutoring and further assistance.

**ACADEMIC SUSPENSION**
Students who are on academic probation twice in succession (not including summer or winter intersession) are subject to suspension. A student who has been suspended for poor academic performance is not permitted to enroll at the College in any coursework for one academic semester (fall or spring) from the date of suspension.

**APPEAL OF ACADEMIC SUSPENSION**
Any student who has been suspended for academic reasons may appeal that decision by submitting a petition, in writing, to the appropriate academic chair requesting a review of the decision. The appeal should include supporting evidence such as medical explanations and changes in grades that might justify a reversal of academic suspension.

**ACADEMIC REINSTATEMENT FOLLOWING SUSPENSION**
Academic reinstatement refers to the process by which a student is granted permission to return to Farmingdale State College following an absence of one or more semesters due to suspension for reason of poor academic performance. A student seeking reinstatement should petition the academic chair, in writing, requesting permission to return. Supporting evidence, such as successful completion of coursework at another institution while on suspension from Farmingdale State College, must be submitted in writing with the petition. The reinstatement permits the student to resume matriculated status in the same department for the semester immediately following the one during which he/she was suspended.

**ACADEMIC READMISSION**
Academic readmission refers to the process by which a matriculated student seeks permission to return to Farmingdale State College after an absence of two or more academic semesters. There are two different processes:

1. For the students who have discontinued their attendance for under five years and wish to apply for readmission to complete their degree, they must meet with the appropriate Chair to discuss their intentions and evaluate their academic record. Students who withdrew in poor standing or who were academically suspended will be expected to present evidence that they are capable of improved academic performance on return. A student who re-enrolls in the same major in which they were last enrolled and re-enrolls within five years of the last date they attended the College is allowed to meet graduation requirements that were in effect at the time the student was originally enrolled. For further information and an application for academic readmission, call the Office of Auxiliary Enrollment Services at 631-420-2733.

2. For students who have discontinued their attendance for five or more years and wish to apply for readmission to complete their degree, they must file a SUNY application as a “TRANSFER” student and list Farmingdale State College (95) as a prior college. The application fee is non-refundable regardless of the readmission decision. Each application will be evaluated according to the specific admission criteria in place at the time of the readmission application. A student who re-enrolls in the same major in which they were last enrolled and re-enrolls more than five years after they last attended the College must meet the most the current graduation requirements. All course work previously completed will be reviewed on a course-by-course basis to determine whether it meets current graduation requirements. All courses completed will remain on the student’s transcript. Only credits for courses that meet the current requirements will be used in calculating the student’s graduation grade-point average. Students can file a SUNY application online at suny.edu/student. For more information contact the Admissions Office at 631-420-2200. For both processes, a student who re-enrolls in a different major than the one in which they were last enrolled is subject to a course-by-course evaluation to determine whether the completed course work meets the requirements of the new major. Only credits for courses that meet the requirements of the current major will be used in calculating the student’s graduation grade-point average. However, all courses completed will remain on the student’s transcript. A student re-enrolling in a new major is required to meet the graduation requirements at the time of re-enrollment.
AMNESTY POLICY

The Amnesty Policy applies to returning students who have not attended any college on either a full-time, part-time, matriculated, or non-matriculated basis for a minimum period of four years immediately prior to reentry to Farmingdale, and the student’s GPA must be below 2.0. Under amnesty, all prior grades will be excluded from subsequent GPA calculations but will remain on the student’s transcript along with all previous coursework. The GPA will begin at the time that studies are resumed.

Courses in which grades of C or better were earned will be counted towards graduation.

To qualify for amnesty the student must be matriculated and have completed six credits per semester for two consecutive semesters excluding winter and summer sessions, upon returning to the college, maintaining a B average during this time with no grade below a C.

The recomputed GPA under this amnesty policy cannot be used to qualify for any academic honors other than that of the Dean’s or President’s lists, and an application for amnesty can be made only once. The student must file a formal petition, as follows, in order for amnesty to be considered:

After the student has met the requirements for eligibility under amnesty as stated above, the student will file an application with the chair of the Admissions and Academic Standards Committee at least one semester prior to graduation. Upon verification of the student’s eligibility under amnesty, the Chair of AAS will notify the Registrar.

The above policy will not supersede the College’s Admissions Policies, specific Curriculum Department requirements, or financial aid guidelines.

LATE REGISTRATION AND DROP/ADD PERIOD

The official Late Registration and Drop/Add period takes place during the first week of classes. This period officially ends at midnight on the seventh day after the first class of the semester. Students may add or drop classes from their schedule during this week. Students who have not yet registered for classes may be permitted to do so during this period under extenuating circumstances only. During this period, students will receive 100% refund for dropped courses and/or cancellation of their schedule.

All registration activities cease AFTER the first week of classes.

The College does not guarantee that any student will be allowed to register for classes after the official late registration, add/drop period.

REFUND POLICY

Refund Policy For Cancelled Courses

The College takes responsibility to see that any student who is enrolled in a course that is subsequently cancelled by the College will receive a full refund of all appropriate tuition and fees.

Refund Policy Before Classes Begin

Students who elect to cancel their schedule through the last business day before classes begin must notify the Registrar either in person or in writing of their intention. Letters can be faxed to 631-420-2275. The College will process a refund for all appropriate tuition and fees.

Refund Policy After Classes Begin

If students decide to withdraw from a course or from the College, they must do so by completing the necessary forms. Unless students follow the official withdrawal procedure, their fiscal liability for the courses will remain in place. Failure to submit payment, stopping payment on a check, or not attending classes does not absolve students of this fiscal obligation. Your liability to the College will be determined by the refund schedule applicable at the time the withdrawal process is completed. The refund schedule for the individual fees is as follows:

WITHDRAWALS

WITHDRAWAL FROM A COURSE

A matriculated student who wishes to withdraw from a course should seek the counsel of the curriculum chair. Students wishing to withdraw from a course must obtain a withdrawal form from the Registrar’s Office, complete it, obtain the instructor’s signature with verification date of last attendance, sign the form, and return it to the Registrar’s Office for processing.

Students who withdraw to enter military service and wish to receive credit for course work or a tuition refund must submit a written request, together with a copy of their orders, to the Registrar’s Office.

A grade of “W” will be given to any student who officially withdraws from a course from the beginning of the second week through the end of the ninth week of classes. Withdrawal after the ninth week of classes is permitted only under extenuating circumstances at the discretion of the instructor.

NOTE: Students who received financial aid for a shortened session, such as a summer session or intersession, and dropped or withdrew from a class; and who are not currently attending any classes, may be required to submit a Statement of Intent to Return to maintain their aid for that period. Please consult with the Office of Financial Aid.

WITHDRAWAL FROM CURRENT SEMESTER

Any student enrolled in more than one course who wishes to withdraw from every course must initiate the semester withdrawal procedure through the Registrar’s Office. Students are first encouraged to discuss semester withdrawal and its potential academic and financial aid consequences with the chair of their department. The follow this procedure:

• First week of classes: This is the add/drop period during which students may withdraw from courses freely.

• Second week of classes through the last day of classes: Students must obtain a Request for Withdrawal from Current Semester form, complete section A and submit the form to the Registrar’s Office.

• After the ninth week of classes through the last day of classes: Student must obtain a Request for Withdrawal from Current Semester form, complete sections A, B and C, and submit the form to the Registrar’s Office.

• After the last day of classes: Please refer to the section in the College Catalog titled “Retroactive Withdrawal.”
Students who do not follow this procedure will remain enrolled in their courses and may receive failing grades for work not completed. In addition, the College will not consider a full or partial refund of fees for any semester in which a student has failed to complete the withdrawal procedure nor will the College release information about a student’s academic record until financial clearance is obtained.

Formal readmission to the College following semester withdrawal is only required after an absence of two or more consecutive academic semesters (fall or spring). For more information, please review the section titled “Academic Readmission” in the College Catalog. Be aware that certain academic programs may follow their own guidelines for readmission.

Please note that any student with questions about semester withdrawal or who encounters difficulty completing the process may request assistance by visiting the Registrar’s Office in person or contacting the Office by phone at (631) 420-2776 or email at regoffice@farmingdale.edu.

WITHDRAWAL FROM THE COLLEGE

Any student taking more than one course who wishes to withdraw from every course (i.e. the College) prior to the last two weeks of the semester (including the final examination week) must initiate the withdrawal process at the Registrar’s Office.

Matriculated students will be directed to discuss the withdrawal with their curriculum chair. To be considered officially withdrawn from the College, the withdrawal form must be completed and returned to the Registrar’s Office.

Students who do not follow this procedure will be carried on the College rolls and may receive a failing grade for all assignments and tests not completed in each course.

No full or partial refunds of fees can be made until a student has officially completed the withdrawal procedure. Information about a student’s record will not be released until financial clearance has been obtained by the student.

Retroactive Withdrawal

Students who wish to apply for withdrawal for a previous semester in which they received a failing grade (F) must apply to the Chair of the Admissions and Academic Standards (AAS) Committee for Retroactive Withdrawal. Retroactive withdrawal, if granted, applies to all courses for the semester in question. Application must be made within one year of the term in question.

Retroactive withdrawal is granted if there are medical issues, serious family situations or other severe extenuating circumstances which prevented a student from attending classes during the semester or completing their academic obligations. It applies to students who did not officially withdraw from their courses or the college in a timely manner due to these circumstances.

Students who apply for retroactive withdrawal must do so by writing a letter to the Chair of AAS/Retroactive Withdrawal explaining their circumstances and providing documentation of their situation (hospital record, accident report, death certificate, etc.)

If students have been granted Retroactive Withdrawal in any given semester, under some circumstances, they may appeal for a tuition refund outside of the normal refund policy and schedule. Please see the policy of the Extenuating Circumstance Committee outlined below.

Extenuating Circumstance Committee

There are times when medical issues, serious family situations or other similar severe circumstances arise that may prevent a student from attending classes for the remainder of a semester in which they are enrolled. These circumstances may compel a student to withdraw from their classes. SUNY Policy establishes policy where the student may appeal to the Extenuating Circumstances Committee (ECC) to request a refund which is outside the normal refund policy and schedule. According to SUNY policy, students may appeal to the ECC if:

• The circumstances are of a serious enough nature that would preclude the student from continuing their studies for the semester.
• Application for the refund is made within one year after the end of the term in question. However, it is advisable for appeals to be filed as soon as possible.
• The student has not completed more than one half of the term. If a student’s last date of attendance is beyond the 8th week of the semester, the case is not eligible for consideration by the ECC.
• The student has officially withdrawn from their classes (if the semester is over, this would involve appealing first to the Retroactive Withdrawal Committee).
• The student has not received academic credit for their classes.
If the circumstance meets the above criteria, the student may appeal in writing to the ECC. Along with a letter explaining the circumstances, documentation should be provided which can independently verify the facts presented in the case (doctor’s notes, etc.). The ECC can only review written requests and will respond in writing to the student. No information can be given out via email or phone, as per FERPA laws. All decisions of the ECC are final and cannot be appealed elsewhere. Appeals should be sent to: Extenuating Circumstances Committee Farmingdale State College, Farmingdale, NY 11735. Student should file appeals in as timely a manner as possible.

PROCEDURE FOR RETROACTIVE WITHDRAWAL
The Retroactive Withdrawal Committee at Farmingdale State College has been charged to review requests by students who previously left the College and received an “F” and now wish to have a grade(s) changed to a W because of extenuating circumstances. The charge of the committee is to review the request, together with the extenuating circumstances, in order to make a finding as to whether or not the grade(s) should be changed. Upon a finding being made, the Chair of the Committee shall notify both the committee and the student of its finding in writing, as well as the Registrar, if necessary, to make the appropriate change. All Committee materials will be maintained in the Office of the Chair of the Committee for a period of five (5) years.

The procedure established shall consist of the following steps:
1. Students will make a request for retroactive withdrawal to the Chair of the Committee, which will include the following:
   - A letter requesting the change in grade(s) with a detailed explanation as to why this request is being made;
   - Substantiate the facts that the student has set forth;
   - A completed affidavit (copy attached) duly notarized;
   - Any other supporting documentation, which would be beneficial to the student’s case (i.e. accident reports, doctor’s notes, transcripts from other colleges, etc.)

2. The Chair of the Committee shall send copies of the student’s materials to the members of the Committee and/or convene a meeting to discuss the request. The Committee shall take into consideration the following:
   - Nature of the extenuating circumstances;
   - Credibility of materials submitted to the committee;
   - Relationship of the courses to the goals of the individual as stated;
   - In the cases where a great deal of time has elapsed, an explanation as to why the individual took so long to seek retroactive withdrawal;
   - The need to actively seek additional information from College resources in order to make an informed determination on the request.

3. The Committee shall then vote on whether or not the student’s request for retroactive withdrawal be granted or denied. If the vote is negative, the Chair shall notify the student in writing of the Committee’s findings. If the finding is positive, the Chair shall notify the Registrar to make the appropriate grade change(s) with a request to forward an amended student copy of the transcript.

For more information/clarification call the Office of the Provost at 631-420-2003.

WITHDRAWAL PERIOD
Courses that are dropped during the first week of classes will not appear on a student’s transcript. The withdrawal process begins on the second week of classes. Starting the second week of classes students who initiate a withdrawal, course or semester withdrawal will receive a “W” for that course on their transcript. The financial liability will be determined by the refund schedule in effect at the time the withdrawal is processed. For further information on the withdrawal procedure, refer to either “WITHDRAWAL FROM A COURSE” or “WITHDRAWAL FROM THE COLLEGE” sections in the catalog.

CHANGE OF GRADE
Grades and grade changes are the responsibility of faculty. Grade changes, which are only initiated for extenuating circumstances (such as medical emergencies, death, family emergencies) must be submitted within a timely manner after the conclusion of the semester in question. Appropriate documentation with a clear explanation must be submitted on the approved grade change form for processing with the Registrar. Faculty may submit a grade change within one year from the date on which the grade was issued as long as it is consistent with the College’s need to maintain academic standards and the integrity of students records, as well as conform to Federal and State laws. Only an extreme extenuating circumstance (ex., service to the military) may require a change of grade beyond this one year time period. Any such case must be appealed by the instructor to the Faculty Standing Committee on Admissions and Academic Standards for their consultation and approval.
INCOMPLETES

A grade of “I” (Incomplete) is reported when, for some reason beyond his/her control, the student misses the final examination or has not completed a portion of the required work for the course. The decision to grant an “I” is at the sole discretion of the instructor. No achievement points are awarded for an incomplete. All incompletes must be resolved and a change of grade must be submitted no later than 30 days after the beginning of the next semester (fall to spring, winter intersession to spring, spring to fall, summer session to fall). An instructor may grant an extension of an incomplete (I) grade until the end of the semester by documenting and filing the approved form with the Registrar prior to the conclusion of the 30 day period.

Any incomplete (I) grade not finalized or not extended by the instructor within the 30 day time period mentioned above will automatically be changed to an “F.” An Incomplete does not constitute successful completion of a prerequisite.

POLICY ON NON-ATTENDANCE

Students who do not attend class at least once during the first two weeks of the semester will be removed from the official class roster and receive a “N” notation, for non-attendance, on their academic record for that class.

Non-attendance does not cancel a student’s financial liability for the class. In order to remove the liability, the official withdrawal procedure must be followed. Refunds will be calculated according to the schedule in effect at the time of withdrawal.

There may be situations where students who never attend class and do not follow the official withdrawal procedure may be eligible for consideration to have their liability cancelled due to extenuating personal circumstances. In such cases, the student must make a written appeal to the Extenuating Circumstances Committee to have his/her case evaluated. The Committee reserves the right to assess an Administrative Cancelled Registration Fee for successful appeals if such action is deemed appropriate. This fee is assessed at one half of the tuition per course for each cancellation of liability, up to a maximum of $250 per semester.

TITLE IV PROGRAMS

Students who fail to attend any classes will be ineligible for Title IV financial aid. Financial aid eligibility is based on the course load of courses actually attended. If notification of non-attendance in any class is received at any time, the determination of federal financial aid eligibility will be re-evaluated for that term and may result in financial aid forfeiture and/or a balance due to the College.

PRELIMINARY ACADEMIC DEFICIENCY NOTIFICATION (“EARLY WARNING SYSTEM”)

In keeping with the College’s concern that all students be afforded every opportunity to reach their maximum potential, students are notified early each semester if their progress is less than a “C.” This “early warning” allows students sufficient time to meet with an advisor and develop a course of action aimed at improving their grades. A variety of support systems are available to assist students as they move toward the completion of their academic goals.

REPEATING FAILED COURSES

To qualify for graduation, a student must successfully complete all academic requirements. Therefore, failure in a required course must be repeated (although in special cases an equivalent course may be permitted).

A student is advised to consult with the Department Chair when repeat of a failed course is contemplated. If a student repeats a course at this College, achievement points and credits will be applicable toward the degree. Credits, but not achievement points, will be applicable toward the degree for repeated courses taken at another college.

NOTE: a student’s financial aid may be affected when repeating courses. For federal financial aid, repeated courses for a course previously failed may be counted in a student’s course load until the course is passed. However, all attempts at the course are counted in attempted credits and can affect your Pace of Progression (cumulative hours earned divided by cumulative hours attempted). Please refer to the Academic Standards for Federal Financial Aid and EOP funding chart found under Satisfactory Academic Progress for Financial Aid in the College Catalog. Please seek the advice of the Financial Aid Office before consulting with your department chair. State and other aid program regulations may differ.
REPEATING OTHER COURSES
Normally, a student is not permitted to repeat a course he/she has completed and for which he/she has earned a passing grade. In rare instances, a student may have special reason to repeat a passed course. In such cases, a student must have written approval of the Department Chair if a course is to be repeated in order to raise a grade. The most recent grade in the course becomes the official grade for the course.

NOTE: A student’s financial aid may be affected when repeating courses, as repeated courses will not be counted in a student’s course load for financial aid purposes. Please seek the advice of the Financial Aid Office before consulting your department chair.

CHANGE OF MAJOR
Matriculated students who wish to declare or change their program of study must file a curriculum/major change application available in the Office of Transfer Services in Laffin Hall. For further information, call the Office of Transfer Services at 631-420-2733.

PERMISSION TO CARRY EXTRA COURSES
Any student who wishes to carry more than 18 credits during any one semester must receive written permission from the Department Chair and the School Dean of the student’s major. To obtain this permission, a student must display evidence which substantiates the ability to succeed in the additional course work.

PERMISSION TO ENROLL IN OFF-CAMPUS COURSES
Students who wish to register for courses at other colleges are advised to obtain course descriptions and to consult with the Department Chair and the School Dean. The off-campus approval forms are available in the Registrar’s Office.

COURSE APPLICABILITY TO DEGREE REQUIREMENTS
To assure viability with current technology, a Curriculum Department Chair may evaluate the suitability and timeliness of all curriculum courses, and whether they will satisfy degree and/or certificate program requirements.

THE DEAN’S LIST AND PRESIDENT’S LIST

FULL-TIME STUDENTS
The Dean’s List is an indicator of high academic achievement earned by full-time matriculated students who obtain an average of 3.30 or better. The President’s List recognizes full-time, matriculated students who distinguish themselves by attaining an average of 3.75 or higher. Students who have failures, incompletes, or “D, D+, W, UW or NA” grades are ineligible for Dean’s List or President’s List designation. The Dean’s and President’s lists are finalized by the Registrar’s Office once all grades are entered and calculated at the end of each semester, and are entered on the student’s permanent record.

PART-TIME STUDENTS
Dean’s List or President’s List candidates can also be currently enrolled part-time students who apply and are accepted for matriculation into a degree program and have completed a minimum of eighteen (18) credits in a maximum of three (3) consecutive semesters. The summer session will be considered a semester for this purpose. They must also have earned an average of either 3.30 or 3.75 or better.

No failing, incomplete, “D, D+, W, UW or NA” grades are allowed during the period of consideration. A semester consisting of all “W” grades counts as a semester and will eliminate a student from consideration for either list. Normally, three consecutive semesters involve fall and spring semesters. However, if a summer session is taken, it is then calculated within the consecutive semester’s evaluation.

LATIN HONORS - DEGREES OF DISTINCTION
Degrees of distinction are conferred upon candidates for the baccalaureate degree who have completed an average of nine continuous credits per academic year and a residency requirement of a minimum of forty-eight credits. Students who have failures, incompletes, D, D+, W, UW or N grades may be ineligible for Latin Honors. Averages for levels of distinction are:

- Summa cum laude: 3.9+
- Magna cum laude: 3.7+
- Cum laude: 3.5+

We recognize the potential earned distinctions during commencement exercises. The official distinction will be shown on the student’s record once final grades and graduation have been posted in the semester for which the student applied for graduation.
