We are currently taking a poll to see how many families of school age children would be interested in joining our School Age Summer Camp for Kindergarten graduates-5th grade. This camp will be six weeks long from 7/3-8/11. There will be an in-house event, an out of house event and water play each week. Please let us know if you would be interested or know of a family that might be interested.

You can contact us via phone or email at: childcare@farmingdale.edu. Thank You!
