

CAMP FARMINGDALE

FIELD TRIP PERMISSION FORM

In order for your camper to attend the scheduled field trips, the camp must have this signed permission slip form on file. All field trips are scheduled in advance and stated on the calendar of events, which is attached. The information will also be posted at the camp room.

All Campers must wear a RED shirt on all field trips. This is to maintain the safety of your camper when off campus.

All field trips are supervised by camp staff. Campers will be assigned a "buddy" and a counselor on each trip.

I give my child _____ permission to attend scheduled field trips with Camp Farmingdale.
