

THE CHILDREN'S CENTER: COVID 19 PRECAUTIONARY MEASURES

1. Parents will not enter the building. Child will be dropped off with a staff member at the front door. It is recommended that the **same** parent drops off and picks up, when possible.
2. Parents must take temperature of the child at home and report it at drop off where it will be logged. At the initial drop off, staff will then take a contactless temperature of the child where it will be logged along with a visual health check. Any sign of illness, the child will be sent home.
3. All staff will wear face coverings at all times. It is not required of the children.
4. Staff temperatures will be taken contactless before entering the building. A visual health check will be performed. Staff will be sent home with sign of illness.
5. Infant room teachers need to wear layers. In the event of infant secretions, it can be removed quickly and easily.
6. No more than 10 children in any room, excluding staff members. Example-2 staff, 10 children. At times there will be less based on enrollment and age of children.
7. Stable staff, stable children. Children will not be moved from class to class. They will stay with the same children and same staff during their time at the center. Modifications will be necessary in the event of staff illness and transitioning of aged-out children
8. During nap time, cots will be placed 6 feet apart and the children will be head to toe.
9. Furniture will be removed from any classroom to practice social distancing where possible.
10. Limited use of communal areas. Disinfected and cleaned after every use
11. Only essential campus employees and essential early intervention specialists allowed in the building. Must follow all precautionary measures.
12. Outside areas will be utilized as much as possible.
13. Daily on-going sanitization of toys, contact surfaces, computers, door knobs, utensils, bedding, and anything that is touched by the children and staff. OCFS cleaning solutions will be available to all staff and class rooms at all times.
14. Nightly professional cleaning of full center
15. No family style service of snack.
16. Children's lunch bags and belonging will be wiped down prior to entering the building.
17. In the event of a staff member, child, or family member of staff or child is impacted by Covid-19 the DOH will be notified and all recommendations will be adhered to.
18. In the event that a child or staff member shows signs of Covid-19 they will be isolated and removed from the building immediately. The center will then follow all recommendations of the health care provider, the CDC and the DOH.
