## SAFE SPACE Trainings

### **Safe Space Trainings – LGBT 101**

This 1-hour interactive workshop provides an introduction to the LGBT community by defining common terminology, explaining the difference between sexual orientation and gender identity, and exploring both risk factors and resiliencies. The training will conclude with a discussion of best practices to create safer and more supportive environments for LGBT people.

### **WHEN:**

- |                                 |                               |
