

Grocery & Amazon Fresh Delivery

For Residence Students

Farmingdale State College mail services do not accept grocery or perishable deliveries (Amazon Fresh, Instacart, DoorDash, Walmart Grocery, etc.). These must be received directly by the student.

Student Responsibilities

- **Use the residence hall entrance address (NOT Central Receiving)**
- **Be present during the delivery window**
- **Provide a working phone number in the order**
- **Meet the driver outside the building**
- **Retrieve the order immediately**

Residence Life staff, mailroom staff, and Central Receiving cannot sign for, store, refrigerate, or hold perishable deliveries. Unattended deliveries may be refused, returned, or left outside at the student's risk.

Amazon lockers and campus mailrooms are for standard packages only and cannot be used for grocery deliveries.

Students are responsible for coordinating directly with the delivery driver.
