RAMS OF THE WORLD UNITE!

Join us for a 2-Day Event

Farmingdale State College will celebrate
International Education Week (IEW)
November 17 through November 21, 2025

During IEW, Farmingdale State College would like to recognize all the ways in which students, faculty, and staff make FSC a global community. We invite students, faculty, and staff to share their experiences living, studying, and working abroad. If you are an international student studying at FSC, how is your experience living in the United States impacting you? What are the challenges, and what are the joys of interacting with a diverse community in an international setting? Examples of contributions include but are not limited to: short talks, photographs, original paintings and works of art inspired by the international experience, poems, short stories, etc.

Please submit your proposal by completing [this form](#)/QR CODE no later than
