

Technology Guidance Help Sheet

helpdesk@farmingdale.edu / 934-420-2754

The Farmingdale State College community currently has access to many services that can assist in a remote learning capacity. These services are available with your Farmingdale email login and should not be used with personal accounts. If you are using or intend to use services that is not on this list, you need to contact Information Technology at helpdesk@farmingdale.edu to see if it can be permitted. Using an unauthorized service can put you and the college at risk. Please remember that sensitive information (such as SSN, Credit Cards, PII) should never be transmitted/stored by email or any other unsecure means.
