\* An 'other' child is defined as any child other than the enrollee's own child, adopted or stepchild, or the child of the enrollee's domestic partner. For such a dependent to be eligible, the child must reside permanently in the enrollee's home and receive more than 50 percent of his or her support from the enrollee. Refer to NYSHIP Policy Memo 88r1 for more information.

\*\* A court order noting that the enrollee's status as the father has been adjudicated by a court; or a Voluntary Acknowledgment of Paternity that has been executed and filed with a county registrar may be used in place of a birth certificate to prove the child's relationship to the enrollee. Refer to NYSHIP Policy Memo 142 for more information.

\*\*\* Enrollees do not need to provide a copy of their dependents' Social Security card. However, for federal reporting purposes enrollees must provide their dependents' Social Security Number (SSN). If a dependent has not been issued an SSN by the federal Social Security Administration because they are not eligible for one, the enrollee may complete and return the "Affidavit for a Dependent Who is Not Eligible for a Social Security Number." The enrollee's HBA should contact EBD to obtain the Affidavit. The completed Affidavit should be kept on file at the agency. When adding the dependent, the HBA should use a placeholder SSN (e.g. 888-88-8888 or 999-99-9999) for the dependent in place of an actual SSN for NYBEAS purposes. The enrollee must provide the HBA with a real SSN if one is later issued, and the HBA should update NYBEAS accordingly.

\*\*\*\* This proof must contain the names of the enrollee and the spouse. This requirement is waived for marriages occurring less than one year ago.

\*\*\*\*\* Dependent children who served in the military prior to age 26 may have their eligibility under NYSHIP extended for a period of time equivalent to their military service, up to four years, if they are enrolled in school on a full-time basis. For example, a dependent with three years of military service from ages 21 to 24 may be eligible for NYSHIP coverage until the age of 29.
