Fall 2022 Enrollment Report

Key Findings

Graduate Students

- Enrollment in the Master of Science in Technology Management program decreased to 50 students in Fall 2022 compared to 64 in Fall 2021. That's a 22% drop.
- Over ninety percent (93%) of the new enrollees for Fall 2022 received their undergraduate degree from Farmingdale State College.
- This program is predominantly male (80%) with 74% of the students attending on a part-time basis and 26% on a full-time basis.

Undergraduate Students

- SUNY enrollment declined an aggregate of 2% since 2021. Cortland was the only college to experience an enrollment increase among the comprehensive and technology colleges. As was the case with most SUNY institutions, we experienced a slight loss (by 20 students) in enrollment from Fall 2021 to Fall 2022, dropping 0.2%. This was however the smallest loss among the Colleges of Technology.
- Enrollment by students of Hispanic origin continued to trend higher, increasing to 27.3% of the total undergraduate student population, from 25.7% last year. Just under one-third (31%) of all first-time students identified as Hispanic/Latino. Enrollment among Black/African American and Asian students have also increased and Farmingdale is now a majority-minority institution.
- The percentage of undergraduate male students increased for the fourth consecutive year and at 59% is the highest since 2010.
- Our New Student Enrollment numbers - First-time to college student enrollment slightly decreased (1.9%) after 4 years of continuous increases, and external Transfer enrollment dropped a bit (8.3%). Our first-time, full-time bachelor's degree seeking student one-year retention rate improved to 82% from 80% in the previous year.
- The average High School GPA of our incoming full-time, bachelor's degree-seeking freshmen improved only slightly to 89.5 from 89.3 last year. The average SAT score dropped to 1095 from 1122 last year. Submission of an SAT or ACT exam was optional for Fall 2022. 41% of incoming degree-seeking freshmen submitted an SAT or ACT score.
- The top five baccalaureate curriculums with the largest percentage increases in enrollment over 2021 are Computer Science (152%), Civil Engineering Technology (45%), Nutrition Science (40%), Visual Communications: Art & Graphic Design (37%), and Criminal Justice-Police, Courts, and Corrections (25%).
- The most popular curriculums among new first-time students are Liberal Arts & Sciences (26%), Science, Technology & Society (14%), and Business Management (8%).
- Science, Technology & Society (19%) and Business Management (12%) remain the top two curriculums into which new transfer students enrolled.
- The top three baccalaureate programs with the highest enrollment are Science, Technology, & Society (1,344), Business Management (1,125), and Computer Programming & Information Systems (450).
- The percentage of accepted students among those who applied reached a high of 73% in Fall 2022.
- The top three feeder high schools are Brentwood High School (113), Farmingdale High School (109), and Lindenhurst High School (91). Of the top 50 feeder high schools, Deer Park High School had the highest percentage of accepted students who registered at 67%.
- The top colleges that students transferred in from are Suffolk County Community (268), Nassau Community (192), Stony Brook University (47), and Hofstra (22).
- Non-matriculated students fell to its lowest level at 349 students.
