Notes:

Students can choose to earn either a multi-engine or flight instructor license to satisfy Aeronautical Science-Professional Pilot degree requirements.

Pass rates for the ASCP-BOC are reported based on those students who pass the exam within one year of graduation.

**There are still students in the 7/1/2022 -6/30/2023 cohort who have yet to take the ASCP-BOC exam. The national pass rate for MLS programs is 75%.

Pilot licensure pass rates for 2023 are for the Winter and Spring Semester.

Nursing NCLEX pass rates for 2023 are for January only, and prior years are for January and June.
