Note: Students who earned a degree in the same curriculum code they were enrolled in the fall are eliminated from the base in calculating retention for that curriculum. If a student earned a degree in a different curriculum, it was not counted in grad column. If a student is not retained in the curriculum in the subsequent fall, they may or may not have left Farmingdale.

\* New Graduate students are included in the first-time category.

\* Students who earned a degree in the same curriculum code they were enrolled in the fall are eliminated from the base in calculating retention for that curriculum. If a student earned a degree in a different curriculum, it was not counted in grad column. If a student is not retained in the curriculum in the subsequent fall, they may or may not have left Farmingdale.

\*\* New Graduate students are included in the first-time category.
