Collaborate With Classmates

- **Get Help:** If you're struggling to find the answer to a question, just post any questions you have on your class feed to get help from your classmates. Earn points for answering any questions that your classmates are struggling with as well.
- **Work Together:** Maybe you need a different perspective or you're having a hard time understanding something, don't stress! Simply go to the class feed to view any class notes, links, or even flashcards that your classmates have shared.
- **Stay Connected:** Reach your classmates quickly when you need help with auto-generated class group chats. Create study sessions with your classmates using video group chat to solve problems or to work on projects together.

Studying Tools

Create your own deck of flashcards and use the **Study Mode** or **Learn Mode** to quiz yourself.

Use **Workflow** to manage all of your tasks and assignments to help you stay organized.

Post your notes on the class feed and check out the notes your classmates have posted as well.

Share links to videos that you find helpful and help out your classmates.

Use **Notes** to type your notes in each of your classes and keep everything in one place!

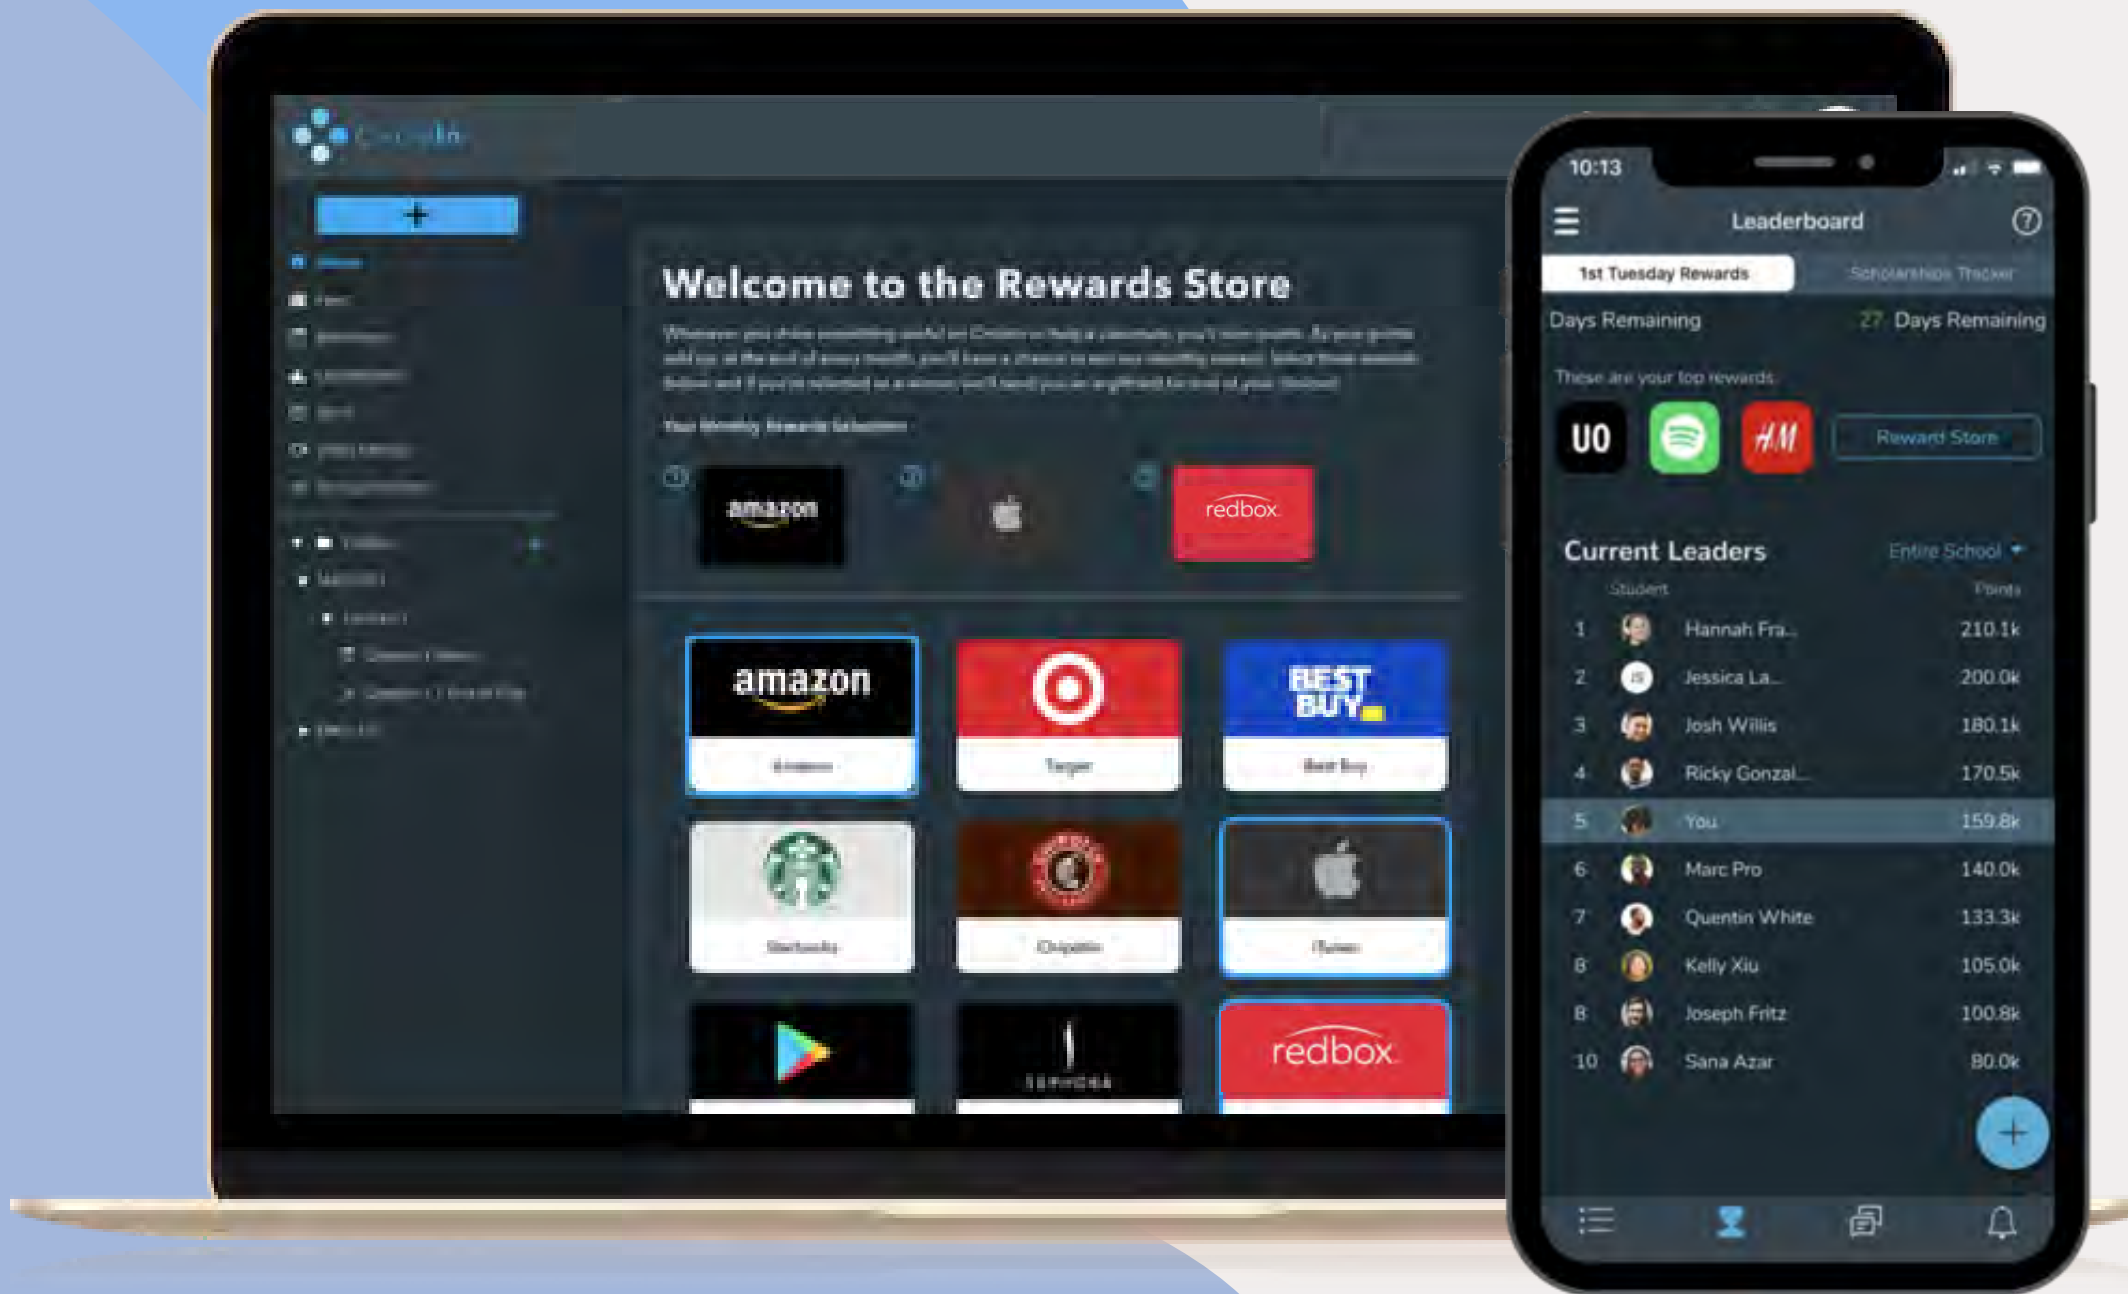

Create a **group chat** with classmates or start a **video chat** for a study session.

Don't waste precious time. **Post a question** to get the help you need from your classmates.

Earn Points and Win Rewards

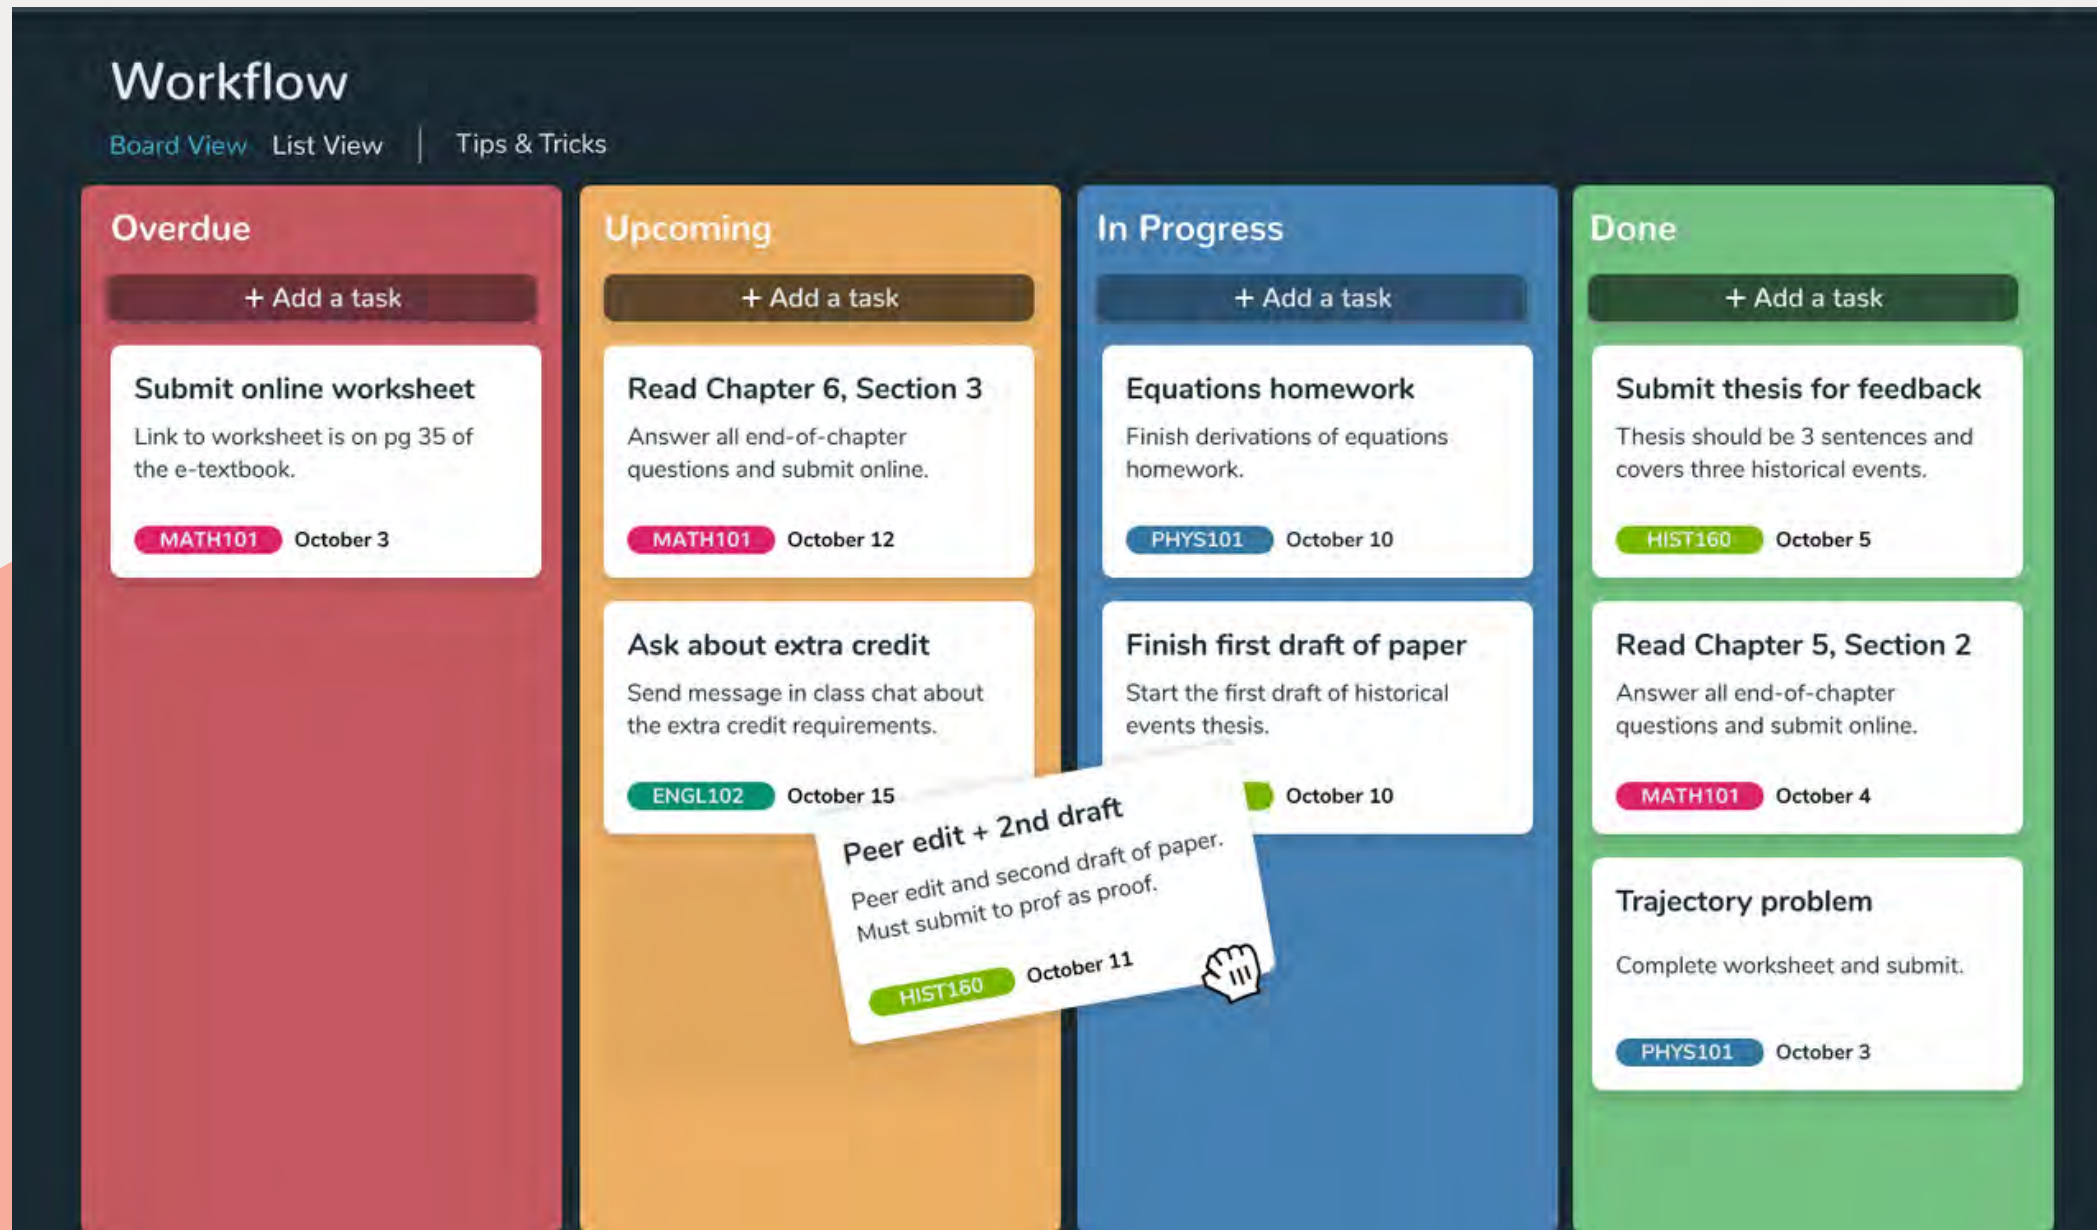

- ▶ Earn points by being an active user on CircleIn!
- Every month, the top students who earn the most points on CircleIn have the opportunity to win a gift card of their choice ****Students must meet the eligibility criteria to win.**
- Students who score top points also have the chance to become eligible for scholarships at the end of the semester/term.

*Gift cards are sent to your official school email address.

To learn more about the points and rewards, [click here](#) for the CircleIn Points & Rewards Guide.

Stay Organized

- Workflow allows you to manage all your tasks and assignments in one place. This feature focuses on the forward progression of school-related tasks from "Upcoming" to "Done". Overdue Task are automatically sorted for you!

Earn points for creating and completing tasks!

- You can start with tasks from: your planner, syllabus, or brainstorming. Once you have a solid task list, go ahead and place them into 'Upcoming'.
- Break large tasks down into steps, and create a task for each step in 'Upcoming'. Organize them chronologically (or by priority) and start chipping away!
- Make it a habit to check your tasks and make sure you have no more than four tasks in 'In Progress' to stay organized, focus better and avoid task overload.

Pro Tip: Turn on Push Notifications to get reminders on assignments and tasks that are close to due dates or overdue!

Creating Study Habits

Test Yourself With Learn Mode

- **Learn Mode** randomly generates a quiz of up to 20 questions. Quiz yourself with a combination of **Matching** and **Multiple Choice**.
- To see how well you know your stuff, click on “**Get Results**” and the system **automatically grades** your quiz!

*Only available on web version.

 **Pro Tip:** Test yourself using any flashcard decks your classmates or Tutors have uploaded as well!

The image displays two overlapping screenshots of the app.circleinapp.com web interface. The top screenshot shows a 'Matching' quiz section with a list of questions on the left and an 'Answer Bank' on the right. The bottom screenshot shows a 'Multiple Choice' quiz section with a list of questions and radio button options. Both screenshots show the app's branding and navigation elements.
