

Exciting Opportunity for NCC Graduates

# EARN YOUR BACHELOR'S IN APPLIED PSYCHOLOGY

## Interinstitutional Agreement with Nassau Community College and Farmingdale State College

NCC graduates with an Associates in Disability Studies (AA), Liberal Arts (AA), or Liberal Arts (AS) have a pathway to earning a four-year degree through this exclusive Interinstitutional Agreement with Nassau Community College (NCC) and Farmingdale State College (FSC).

### PROGRAM HIGHLIGHTS

- FSC distinguished faculty at NCC teaching upper-level courses in the Applied Psychology program
- A seamless pathway to complete all upper division courses at NCC or online, with just one hybrid course at FSC
- Academic rigor to elevate education and careers with a bachelor's degree

Achieve a 3.0 GPA and successfully complete your associate's degree.

### HOW TO APPLY

- Complete the SUNY application (the fee is waived for associate's degree holders).
- Submit transcripts from Nassau with posted associate degree.
- Include transcripts from any additional college-level coursework.

### GREATER OPPORTUNITIES, FEWER OBSTACLES

A limited one-time scholarship award of \$1,000 for program enrollees may be available.

Seize this opportunity for academic growth and professional success. Apply today, and let us help you to reimagine what's possible with a degree from FSC!
