* Semester of Implementation:

Answer Required

Question 3	Type: Short answer	**Required**

* Course Description (as written in the college catalog):

Answer Required

Question 4	Type: Short answer	**Required**

* What are the current learning outcomes for the course? Identify which of these learning outcomes specifically map to/address the Civic Discourse core competency. List any additional learning outcomes to be added by the department to meet the Civic Discourse competency.

Answer Required

Question 5	Type: Multiple Select	**Required**

* How will the student's learning and/or participation in Civic Discourse be assessed? (Select all that apply)

Options: Assignments

Participation/Graded Discussion Posts

Presentations

Research Papers

Projects

Exams

Other: If your plan is to do none of the above, please specify the alternative assessment you will utilize

Answer Required

Question 6	Type: Short answer	

Please either upload a copy of at least one assessment (but no more than three) - See *Requested Documents* section of this application OR provide a detailed explanation below of how students' learning of the skills of Civic Discourse will be assessed. Each potential assessment should include a detailed explanation and description of how it is aligned to one or both of the SUNY Civic Discourse Outcomes (on this page is an accordion button with the link to the Civic Discourse Outcomes).
