

APPEAL TO EXTENUATING CIRCUMSTANCE COMMITTEE

The procedure for requesting an exception outside of the College's Tuition Refund Policy is available to students when severe circumstances arise that prevented a student from attending classes for the remainder of a semester or resulted in non-attendance of classes in which you were enrolled.

Attendance beyond the 8th week of the semester is not eligible for consideration by the ECC

CRITERIA FOR APPEALS:

- Severe medical issues or serious injury directly involving yourself or immediate family member
- Academic Course Error
- Student's Military Activation
- Other: Severe/Unforeseen circumstance

GENERAL INSTRUCTIONS

1. You must officially **withdraw** from course(s) that you are appealing. The College cannot process your appeal if you remain enrolled in a course(s). **Non-attendance** does not cancel a student's financial liability. If you are assigned an "N" grade, this is the **final grade**.
2. **To apply for retroactive withdrawals** for a **previous semester**, you must first submit appeal to the Retroactive Withdrawal Committee, Farmingdale State College, Attn: Dr. Juan Jaramillo, Chair, Business School-BUSC 313, Farmingdale, NY 11735
3. **Complete the refund request form**; refund request form must be completed in its entirety.

 - a. Typed detailed statement why you were unable to complete semester. Submitted by you (the student); (not a third party, unless legally assigned).
 - b. Supporting documentation should include extenuating circumstance which occurred during the semester that prevented you from attending classes for the remainder of a semester or from attending classes in which you were enrolled, the severity and length of circumstance(s) and must be in official document format. **A final decision is made based on supporting documentation. 5. **Request must be addressed to:** Farmingdale State College, Extenuating Circumstances Committee, Dean of Students-Laffin Hall Room 314, 2350 Broadhollow Road, Farmingdale, NY 11735-1021

GENERAL GUIDELINES

6. A request for tuition credit must be submitted no later than one year after the end of term in question. For example, a student requesting a tuition credit for the Spring semester must submit their request before the end of the following Spring semester. **Appeals received after the deadline will not be honored.**
7. Drop/Add refund dates are widely publicized. Therefore, appeals based on lack of awareness of the dates will not be accepted.
8. **Non-attendance** does not cancel a student's financial liability. An extenuating circumstance explaining non-attendance must be submitted; if appeal is approved an administrative cancelled registration fee will be assessed.
9. The Committee will communicate its decision in writing. **The Committee's decisions are final.** The Committee does not, under any circumstances, take phone calls or schedule appointments. Allow six to eight weeks.
10. If your appeal is approved, you will receive a pro-rated refund of tuition based on the withdrawal date or last date of attendance.

Appeals will be **DENIED** without completed request form, supporting documents and student's typed statement.
