Directions to the SBDC Conference Center on Campus

- Turn into the main campus entrance off Route 110 (Route 110 & Smith Street) - NOT Melville Road.
- Once you are on the campus, continue on the main road (Dr. Frank A. Cipriani Drive) until you get to the second road on the right (look for the blue SBDC flag).
- Turn onto this road and park in Parking Lot #3 to your left (white signs indicate Conference Center parking). Parking is also permitted in the adjacent gravel parking lot. **A parking permit is required.** Failure to park in the designated area or without a valid parking permit may result in a parking ticket.
- Walk past the stop sign and continue walking to the T junction at the end of the road. You will pass storage/maintenance buildings with green rooves on your right and left. The Conference Center is the last building on your right. There is a green sign to the left of the door that states that it is the Conference Center.

If you cannot find the building but find the University Police station, feel free to ask them for directions to the Conference Center. Make sure you specify the Conference Center near the Golf Driving Range, not our office.

Parking on Campus

A temporary parking permit is **required** when parking on campus. If we didn't email you one, you can get one at University Police or at our office. Place the permit on the dashboard of your car. There is no cost for the permit.
