APPLICATION FOR ONE-TIME WAIVER OF SATISFACTORY ACADEMIC PROGRESS FOR PURPOSES OF STATE STUDENT AID

The Regulations of the Commissioner of Education provide for the use of a waiver once for an undergraduate student and once for a graduate student. The waiver is to be used only in extenuating circumstances. It is expected that most students who fail to meet progress or pursuit requirements will not be granted the waiver and hence will not receive any further State awards until they have regained good academic standing. In considering granting the waiver, the following principles are adhered to:

- 1) The student must document that failure to meet the standards was caused by circumstances beyond the student's control.
- 2) The waiver should be granted only when there is a reasonable expectation that the student will meet subsequent requirements.

Name: _____ Social Security #: _____

Local Address: _____

I need this waiver for the ☐ Fall 20__ ☐ Spring 20__ semester.

Explanation of failure to meet the standards along with documentation to support the explanation should be attached to this application and returned to this office. Notification of approval or disapproval will be mailed to the student. The decision of the financial aid office is final.

(For office use only)
