## Mandatory Comprehensive Fees

- **College Fee:** Utilized to supplement campus operations by providing additional funds to support the academic mission of the College.
- **Technology Fee:** Supports the increased use of computing and communication technology in the deliverance of academic course offerings and administrative services available to all students.
- **Student Activity Fee:** Supports the activities sponsored by the Student Government Association which includes activities and events offered at various times throughout the semester and are open to all students.
- **Intercollegiate Athletic Fee:** Supports intercollegiate athletic activities including the program operation, facilities, and support of our teams.
- **Health Service Fee:** Provides basic medical assistance, counseling and prevention services to all students via the Campus Health and Wellness Center and Campus Mental Health Services. **This is not health insurance.**
- **Recreation Fee:** Supports the Campus Recreation Department which provides students with an opportunity for a wide variety of recreational activities.
- **Transportation Fee:** Supports the operation and maintenance of student transportation services on campus and/or between the campus and surrounding community.
- **Transcript Fee:** Covers the cost of any transcript requests processed through the Registrar's Office.
