COST EXPLANATION

Application Fee – paid by the student at the time of application

****Tuition and Fees** – SUNY students pay tuition and fees at their home campus. Mandatory college fee varies per institution. The tuition and fees are estimates. SUNY tuition and fees are subject to change without notice by action of the SUNY Board of Trustees. The cost listed here is based upon 6 credits (FSC).

*****Overseas Academic Program Differential** – The differential is an estimate, which includes housing costs based upon multi-person occupancy (single, double, and triple rooms are available at a higher cost). The overseas partner will charge FSC their tuition rate for a visiting student. If the partner school tuition cost is higher than the SUNY tuition the student is billed the difference to cover the full program cost.

FSC Overseas Academic Program Fee – This fee is used to cover the administrative and operational costs for this program

Health and Medevac Insurance – All study abroad participants are required to purchase the SUNY mandated health insurance policy. This policy includes evacuation, repatriation and traveler assistance coverage. (This is not Travelers insurance).

Projected Expenses – These are estimated fees and vary due to exchange rate fluctuations and personal spending habits. Some courses have a lab component, lab fees are billed separately by the host institution upon arrival.
