COST EXPLANATION

Application Fee – paid by the student at the time of application

Tuition and Fees – SUNY students pay tuition and fees at their home campus. Mandatory college fees vary per institution. The tuition and fees are estimates. SUNY tuition and fees are subject to change without notice by action of the SUNY Board of Trustees.

FSC Overseas Academic Program Fee – This fee is used to cover the administrative and operational costs for this program

Overseas Academic Program Differential – The overseas partner will charge FSC their tuition rate for a visiting student. If the partner school tuition cost is higher than the SUNY tuition the student is billed the difference to cover the full program cost. This includes housing in Edinburgh.

Health and Medevac Insurance – All study abroad participants are required to purchase the SUNY mandated health insurance policy. This policy includes evacuation, repatriation and traveler assistance coverage. (This is not Travelers insurance).

Projected Expenses – These are estimated fees and vary due to exchange rate fluctuations and personal spending habits. If your course has a lab component, lab fees are billed separately by the host institution upon arrival.
