FAQs

Registration Questions

- **What is the URL for Fall 2020 registration?**
https://admissions.farmingdale.edu/register/uhs_application
- **Have all FALL registrations been sent out?**
Yes, all Fall 2020 courses should be listed on the registration form. If any Fall 2020 courses are missing, contact the UHS Office.
- **How do the students verify they are on reduced/free lunch?**
If a student indicates that they are a Free/Reduced Lunch participant, the system will generate an email to the high school contact to verify their eligibility for the discount. Students will not receive an invoice until they have been verified as eligible.
- **What is the high school contact? How do I know if I am the high school contact?**
High school contacts are the individuals that were named to be the primary point of contact for your high school. There are, however, various other high school contacts that UHS routinely relies on to follow through for student registration processes:
 - Free/Reduced Lunch Verifying Agents – High school designees who receive verification emails from the Slate online registration system to confirm that the student(s) are eligible for the fee discount.
 - Roster Verification Agent – High school designees that verify UHS course rosters.
- **What if a student does not have a credit card?**
A student who does not have a credit card should contact the UHS Office at uhsoffice@farmingdale.edu.
- **What is the fee this year?**
UHS fees are \$50/credit or \$25/credit for free/reduced lunch students.
- **Should we be receiving confirmation emails when students register? If we are not, who should we contact?**
Students and their parents receive confirmation emails upon registration.
- **Does it matter which browser students use to register?**
Google Chrome is the preferred browser, but the registration form should load properly in Mozilla Firefox as well.
- **Can a student get a refund? And if so, do they call the number on the paperwork?**
During this pandemic, there may be extenuating circumstances. To pursue a refund, the student should contact the UHS Office at uhsoffice@farmingdale.edu. Appropriate written justification for the withdrawal may be required.

- **When will the registration info be sent for the full year course and what will the due date be?**
Currently, our projected window for Year 2020-21 registration will open in mid-November.
- **When should we expect the link for the Spring semester?**
Registration links for the Spring 2021 term will be distributed in early February 2021.

Course Roster Questions

- **How do I log in to OASIS to check my course rosters/enter grades?**
Student rosters for the Fall 2020 and Year 2020-21 terms are not currently available through OASIS. In order to request a copy of your roster, please contact the UHS Office at uhsoffice@farmingdale.edu.
- **Will administrators receive final class rosters since we are out of the registration process now?**
Once Fall 2020 registration closes, those individuals listed as Roster Verification Agents for the high school will receive the final course rosters for verification.
- **Is there a way to verify in bulk rather than individually?**
No, the system does not permit this at the current time.
- **I have no way to log into OASIS, who do I need to contact?**
Contact the Registrar's Office by phone at (934) 420 – 2776 or via email at regoffice@farmingdale.edu.
